ervice-Strength-Style

Here is a tyre to put on your can and put off your mind. Built into it is that something EXTRA which means long, safe miles of hard driving. This great new tyre is made bigger and stronger and tougher to stand the strain you "miljett" it "to on any sort of road.

Lamine the All-Weather tread, then look at how the outer blocks are prismed into the sidewalls.

Here is not only safety, but distinguished new style Around the black sidewalls of this Heavy Duty Tyre runs a single identyfying stripe of silver. Notice it on the smartest rears you meet. I four want that something EXTRA that is economically worth while, go to the nearest Goodyear dealer and ask for the new Goodyear Heavy Duty Tyre.

You don't buy a pair of shoes without trying them on. You don't take the first hat offered you, even though it may fit. Apply the same principal to the purchase of your new car. Don't buy until you have made a careful comparison. Don't keep on driving the same make of car just from force of habit. Above all else, take a demonstration, drive the car yourself, then, and then only will you realize the superiority of Chevrolet.
