will be stopped by taking KALZANA

Diarrhoea is caused by inflammation of the intestines, generally due to irritated nerves.

By taking Kalzana, the Calcium food, you will relieve your blood with the Calcium (lime) necessary to cure the inflamed areas. The swelling will be quickly reduced and the diarrhoea will be stopped.

At the same time Kalzana will strengthen the nerves and soothe the inflammation.

After taking Kalzana only a few days you will find that the diarrhoea has stopped.

When you get healthy, you will greatly benefit by a course of Kalzana, because Kalzana tones up the whole system by increasing those weaknesses, indigestion of the stomach, loss of strength, indigestion of the stomach, loss of strength, indigestion of the stomach, loss of strength.

NAIROBI GOLF CLUB.

Miss Smart's Fine Record.

On Sunday last the long delayed match in the final of the Kenyan Cup was played between Miss Mary Leonard and Miss Smart. Personally I did not think that she could do it, but she did and won an exciting match on the last green. Miss Leonard was never up but captured the match at the 16th, the match being in half with a stroke. Miss Smart getting a very excellent three, but her devotedness to the hole when she was over the green with her fourth shot. Miss Smart being on the lip of the hole for a hole-in-one.

Miss Smart by winning the Championship and the Kenyan Cup has proved the outstanding lady golfer of the race, and I still think that we have not seen the best of her yet. She can hit the ball as well as any of us, and can out-pace us easily the best amongst our ladies.

Two matches were decided in the Victoria Conference during the week. Mr. Whitlock was the weak. Mr. Duggan beat Mr. Ashworth by a hole-in-one in the first term. Mr. Duggan and Mr. Whitlock were a very good match. Mr. Whitlock was the better of the two. Mr. Duggan was the better of the two. Mr. Duggan was the better of the two.

SIR EDWARD CRICK GOLF CUP.

General Lines of Play.

When presenting the prize last August at Mombasa for the Kenya Amateur Golf Championship Sir Edward Crick announced that he wished to present a cup to be played by the Kenya on the course of the Imperial Golf Club at home. This has been the prevailing public opinion. The cup is now available and Sir Edward has agreed to present it to the club to be a local committee. The cup will be open to any position from any pair of players representing a public school.

£10 entrance fee to be at discretion of local committee for the purpose of providing refreshments.

Travelling expenses for each year pairs to arrange their own times within limits. For 1931 each year's teams taking place at that time of year. The cup will be presented to the winner.

Flourishing play on hand-puttees. Teams consisted in two players but each school is entitled to carry more than one player provided that, in the opinion of the committee, members do not become generally handicapped. The limit is 18 or 20 of Kenya playing days but competitors need not be members of the club.

To be played under sanction of Kenya Golfing Society but competitors need not be members of the club. The cup will be presented to the winner.

REFRESHMENT IN KENYA. WIRELESS IN EAST AFRICA.

Protect by Mr. T.J. O'Shea. REAR. Programs For Next Week.

Mr. T. J. O'Shea has issued to the East African Standard a publication of a copy of a letter to the Hon. Mr. O'Shea on the subject of the Kenya Government's proposals on the wireless.

As you may be aware, the Government of fresh unemployment in the East African Standard is not only unprofitable after the Government has established and found insufficient to meet the needs of the unemployed on the Executive Council. The Government will take any step to meet their claims such as...

The letter dated 18th instant that Nairobi made as follows: Dear Lord Deane,

I am informed that as part of the Government's proposals on the wireless the Railway Administration is considering providing large numbers of Bureau employees in the interior. Many of these married men are now unemployed and very few are being allowed back to Britain. And I understand that if they have been sent to the interior they will not be allowed to return.

As one of your last colleagues who has been in the Government since 1912, I am sure immediately that I regard the proposal as one of the best in the last decade for the welfare of the people of Kenya, and only justifying the Government's expenditure on the wireless.

The proposal of Overseas leave for the unemployed is a very good one. A salary scale of 20 per cent would result in an increase of 20,000, and has various other advantages in view of the fact that the unemployed are not receiving any remuneration.

If Government interests are not concerned, I am sure that the proposal is a very good one. It is a very good one. It is a very good one.

Green Manure**

**The McCormick-Deering
One-Horse 3-Disc Grain
Drill.**

The 3-disc grain drill is designed for drilling green manure in orchards of coffee, etc. It is suitable for sowing wheat, rye, oats, beans, etc.

The drill is easy for the operator to handle. Two drive gears supply the power to operate the sowing mechanism, which is fitted with eye. It is also equipped with a fertilizer attachment.

The outside disc furrow openers have shields to prevent injuring the low branches of the trees. Openers are adjustable for 6, 7, or 8 inch spacings. The width of this machine is 36 inches.

**A Mellow seed bed
means greater yields.**

**The McCormick-Deering
No. 2 Tractor Orchard
Cultivator.**

This Cultivator is designed for use in orchards, vineyards, etc., but is also used in open field work for throwing up beds, breaking hard crusted soil, and similar work to a depth of 9 inches and thereby increasing the moisture-holding ability of the soil. The 5 foot size with 9 teeth is equipped with reversible teeth and shanks, which are adjustable up and down.

The No. 2 Cultivator is regularly equipped for tractor use, the power lift device of dirt-proof design are provided on both wheels. Both ditches are put into action simultaneously by pulling on the trip rope attached to the Tractor seat.
