### OVER THE GERMAN FRONTIER.

French Gains in Alsace.

POLICY OF "FRIGHTFULNESS" IN THE VOSGES.

A "Times" correspondent, writing from Mancy, gives a picture of the devastation of the surrounding country. At the same time he describes the steady advance of the Prench and the effect it is producing in the

hine cities.
In the surrounding district, he save, the lighting has left the same traces as in Lorraine. Some of the villages are in ruins, some have escaped altogether. From the Col Au Bonborome the Germans have never them that to pinces. Between St. Dis post-offer at Basel has announced Basiles every village has unformed cannot understable or-derive letters easy, and everywhere, on the roads, on the folgos of the woods, and in the fields, are hundreds and hundreds of and graves. Provenders is still in the graves. Provenders in the state of the property of the property of the province of the state of the province of the

### OBGANISED TERRORISM

Gelles as still held by Prench troops, but Gollies a still hold by Persech terope, but the Germons mustain their facing in the stalley mon-tastely behind the team. Since my just see the solids have destroyed by the stalley may be seen the solid have destroyed by the stalley may be seen to be a seen of the stalley as mid-les on the stalley of the stalley of the stalley of the front, and thus Germans in termany as they have been for the last two months as Baon, and Moussey are all in their hands as they have been for the last two months. The last refugees expelled by the enemy report that there is a great tack of foot. There is hardly any bread and even the Gorman widders have to be satisfied with potatom and bectness. They compal the habilities in order the satisfied with ported are employed in making entrench

The church of Sensors is almost entirely demolished, and in a number of other small villages the church towers, high chimneys, and any other building that could possibly serve the French for observations have been systematically destroyed. It is only fair, m judging the ruin wrought by the in the control of the

secting of civilians in cold blood, is part of eganized system of 'atericism which they believe, help them to win the war. If not do that but up to 'be ar sent it

THE GENERAL OFFICER COMMANDING THE FORCES IN EUROPEAN VOLUNTEERS, for impending military countries d which due notice will be given.

500 riflemen (infantry) will be required, but liability for service will not extend beyond 4 months from date of envolveet.

A camp will be formed at Nairobi where the force will be required

They will then be employed on active operations against the enemy and there will be no question of their being used on lines of communi-cation or being held in Reserve in B.E.A.

The conditions of service will be as follows ---

PHENDAY, PERSONY & HE

(a) Pay as in the case of the existing Volunteer forces. (b) Period of service from date of enrolment for 4 months. or such earlier date as their services can be dispen-

Intending Volunteers are requested to register their names with the of Officer for Volunteers, Nairobi at the earliest possible date. This sistracion will signify their willingness to join and enroll when called

The need will be argent and it is hoped that every available man miles the report .

READY FOR CASUALTIES.

"Next time they cantered young Jones was ready for casualties. He lost his seat—the ready for casualties. He lost his seat—the force went out of his knees before that powerful up and down—but what with pom-mel, withers, and metringale as a support, he kupt his balance, and even began to enjoy the motion and uncertainty. This time he hung on, though it seemed a miracle when it was over.

SHING FOR PRACE

An interesting rumour has been published An interesting rumour has been published in a Swisa paper to the effect that Austria has asked Russia to indicate the conditions on which she would agree to make passe. Russia's reply took the form of the following demands — The surrender of Galleis to Raland, both to be opnetituded a kingdom under the seepter of the Tar; the surrender of Russia Hermsgorius to Servia and render of Bonhia-Herregovina to Servia and Montenegro; yathdrawal from the alliance with Germany? The constitution of the Austro-Hurighreim monarchy into federal states, one of which should be autonomous Bohemia. The newspaper adds that as the Austrian Government felt that the condi-TRANDAMP,
