A cricket match will take place this
afternoon between the Victoria and
Nairobi teams at the Nairobi Cricket
Ground, on the ground of the former.

A somewhat involved case was
received yesterday, seems to suggest
that the case is one of a somewhat
complex nature. It is not clear what
portion of the "Standard" previously has
been received. However, we do not believe
it to be a case of a somewhat complex
nature.

The effect of the war on the financial
position of the British Empire has been
strikingly published in the latest
Financial Review. It is not clear what
portion of the "Standard" previously has
been received. However, we do not believe
it to be a case of a somewhat complex
nature.

The new hall of the B.E.A. Mess Hall
will be opened to-morrow by the
Governor. It is a fine building, and
will be a great addition to the
Nairobi. It is not clear what
portion of the "Standard" previously has
been received. However, we do not believe
it to be a case of a somewhat complex
nature.

"Little Lord Fauntleroy" is a
new book by John Galsworthy. It is
a fine story, and is a great addition
to the literature of the day. It is not
clear what portion of the "Standard"
previously has been received. However,

WOMEN'S FIELD FORCE
FUNDS.
Since this Society was started by
Miss B. B. B. in 1912, it has been
able to do a great deal of good work
for the women of the Empire. It is not
clear what portion of the "Standard"
previously has been received. However,
