A Paris communique reports that the A Paris communique reports that the artillery action continues with undiminish ed intensity in the Artisis between Royal the Oser, and in Champagnes and in the Champagnes and the Champagnes and the Champagnes and the German intensity to the Champagness and the Champagness a

Loudon, Soptember 22.

A Paris report asys that there were intense outbursts of artillery on many points of the front and also in Belgium. The Allied aviators bombarded the enemy's cantonments as Middelerker and also a frain between Bruges and Thorout. Eight aeroplanes effectively bombarded the rail-way station of Conflans between Verdun and Metz.

PLISE I RELL

TO THE EDITOR, "GART AFRICAN PTANDARD."

Dear Sir,—Reading the "War Notes,"
y "Ex-Yeoman," in your issue of september 4, one is led to understand thins andly English and Section officers and divisias in India are "calm, courageous, and install in the courageous, and in the courageous, and in the courageous and in the courageous and in the courageous and in the courage of the courage o

officials in India are "calm, correspons, and just."
This will, indeed, be news to your Irish, With and Colonial readers!
It may also interest Lord Nitchener, Sil O. O'Moure Creagh and Lord MacDonnel as well as many others.
