WAR NOTES.

(By F. Thomas) London, June 26

WHAT WE OWED. It would be well if every man and woman throughout the Empire could read these articles, for some of the incidents related there would serve to educate in the selfish regard.

Imagine a submarine working against the use of the British flag. The vessel is seized and lugged by floating nets. The means of its being so caught is being known of by the enemy. The vessel is not to be used for anything but for the purpose of being captured. The vessel is not to be used for anything but for the purpose of being captured.

THE BLUE ANGELS. While riding in the park recently with a friend, the writer was struck by the late and other officers of the F.M.A. who had been seen at the same place.

THE BIG TRY - BY OUR SPECIAL CORRESPONDENT (EDGAR WALLACE)

We are a people who are rather given to the sense of humor. We have, for example, the "Great Day" which is a very old story. The "Great Day" is a very old story. The "Great Day" is a very old story.

It will be remembered that when the German attacked Verdun his main plan was to break through the French line. He first of all directed a terrific bombardment on the French front line to break down the French trenches.

At any rate there was the germ of a new spirit. The German had a British system which he employed in Gallipoli. It was the same as the British system which he employed in Gallipoli.

MONDAY AND TUESDAY, at 9 o'clock. TO-NIGHT'S GRAND PROGRAMME

WILL INCLUDE VIEWS OF SAMARANG - very interesting travel film showing the life and customs of the natives of Samarang.

WHEN MEN FORGET - "Birds' drama, magnificently staged and acted by the Royal Opera House."

MOTHERLY LOVE OF BIRDS AND ANIMALS, a very pretty and pleasing subject which should appeal to all.

WHEN CUBS CAUGHT A TREF, a "flaming" comedy in which Bobby Stone and his brilliant comedienne create scenes of laughter.

THE CRACKSMAN'S TAUGHT, a thrilling and amusing farce, in two parts, dealing with exciting events and incidents, with a story of unimpeachable merit. Beautifully acted.

ECLAIR WAR JOURNAL AND GAUMONT GRAPHIC will provide the most up-to-date news of the war.

MR. FLIRT IN THE WRONG, a farcical comedy, which is an absolute guarantee and provides a fund of amusement.

AGRICULTURE. This period the process of chemical phosphorus from the comparatively impure form of phosphate rock has been developed. These processes were the result of the most brilliant scientific work of the last few years.

STORIES FROM THE BATTLEFIELD. Bombing Exploits. QUALITIES OF THE NEW ARMIES.

Beyond doubt the chief impression on the minds of all ranks brought back from the front...

It is a fact that the quality of the new armies is being tested in the most severe manner...

And I would add that it has been found that the value of trench work is being tested...

"We had plenty of fun bombing. Our trenches were a good deal better than those of the enemy...

"The party carried on until they fell into the hands of the enemy. The party carried on until they fell into the hands of the enemy...
