Only Up-to-date Agriculture will Pay!

The Standard Cyclopedia OF Modern Agriculture.

This new work shows how every East African Farmer can now take advantage of the latest discoveries of science and adopt the most successful modern methods.

Those farmers who are dissatisfied with last year's results, and wish to do better this season, would do well to at once secure this free booklet...

This great work treats some 5,000 subjects of practical importance to farmers: Tillage and Farming; Manures; Stock-farming; Dairying; Poultry; Landscaping; Gardening; Implements and Machinery; Veterinary; and Bee-keeping; Orchard Planting; Dry Farming; Irrigation; Fruit Farming; Hives and Bees; Breeding; Veterinary Science and Practice; Agricultural Geology and Soil Physics; Botany and Zoology; Entomology and Parasitology; Agricultural Chemistry; Agronomy; Law; Economics and Bookkeeping; Agricultural Banks; Irrigation; Depopulation; Hygiene. There are a list of the holdings under which the contents of the complete work fall.

Full of reliable advice. No more unobtainable work has ever been published. The 500 illustrations are clear to the average farmer. The Illustrated booklet we offer will give you much more information than you can possibly acquire in this volume. Send for it today! It is now available and it will prove to you that THE STANDARD CYCLOPEDIA OF AGRICULTURE is the cheapest and most comprehensive of farming treatises.
