## Save Money

Every year's saving tends to help win the war, and, therefore, it is important to purchase the best available throughout the Empire. In these days of inflated foodstuffs, a credit balance at the end of the month after household expenses have been met, is the exception. We can help to make it the rule. Our foresight in buying, and the fact that we cater for large numbers, ensures economical living, and money saving.

### Going Concern

In consequence of the increasing demands of other branches of this business on his time and energy, Mr. C. E. Whitelock has decided to dispose of the well known **PIONEER HOTEL, ELDORET**, as a going concern, and has placed it in our hands for sale.

The property is freehold—the only freehold business property at Eldoret—most centrally situated, and admirably suited to the needs of the district.

The buildings include a spacious dining room, drawing room, bar, billiard room, large number of bed rooms, offices, stores,—all in stone—and ample out buildings. Water laid on. Spacious grounds, affording ample space for extensions.

The whole place is well furnished. The furniture and large stocks of stores and liquors are included in the sale.

## Save Money

There's money saved to-day helps to win the war, and, therefore,  
should not be squandered by any Britcher throughout the  
Empire. In those days of high cost of materials, a credit  
balance at the end of the month, after household expenses have  
been met, is the exception. We're here to make it the rule.  
Our strength is buying, and the fact that we enter for large  
quantities, secure economical living, and money saving.

## Save Money

Every penny saved helps to win the war, and, therefore, should not be practised by every Britisher throughout the Empire. In these days of high-priced foodstuffs, a small saving at the end of the month, after household expenses have been met, is the step towards the goal. We can help to make it the rule. Our freight on buying, and the fact that we cater for large numbers, ensure economical prices, and speedy saving.

Pioneer Hotel, Eldoret
FOR SALE
AS A
Going Concern
In consequence of the increasing demands of other branches of his business on his time and energy, Mr. O. B. Whitlock has decided to dispose of the well-known PIONEER HOTEL, ELDORET, as a going concern, and has placed it in our hands for sale.
The property is freehold—the only freehold business property at Eldoret—most centrally situated, and admirably suited to the needs of the district.
The buildings include a spacious dining room, drawing room, bar, billiard room, large number of bed rooms, offices, stores, all in stone—and ample out-buildings. Water laid on. Spacious grounds, affording ample scope for extensions. The whole place is well furnished. The furniture and large stocks of stores and liquors are included in the sale.
Exceptionally favourable terms of payment will be allowed to an approved purchaser.
