DEATHS. Standard Notes. A Merry Xmas. FROM THE A. C. STANDARD TO ITS READERS.

We have received the following very important letter, than will be quoted in full in another column, and our readers are asked to subscribe on the subject as discussed.

To Sir: Sir, - The Hon. Mr. A. Stanbury, in his proposals for handling German East Africa, in referring to East Africa as 'Germany's African Empire', does gross injury to both the Empire and to the people of the Empire.

Many friends will regret to hear of the death of Mr. H. P. A. Dickson, who was appointed to an address of welcome to the Government at Zanzibar on January 3rd, with the object of establishing an Import and Export Agency.

(1) I am glad to speak for several thousand of the Bantu African people who, in the opinion of Sir Theodore Morrison, were not to be considered 'white'.

We understand that the Coast Protector's Association has decided to present an address of welcome to H. P. A. Dickson, Secretary to the War Office, at Zanzibar.

(2) I am glad to speak for several thousand of the Bantu African people who, in the opinion of Sir Theodore Morrison, were not to be considered 'white'.

THE FOLLOWING ADDRESS IS BEING READ FOR THE PURPOSE OF COMMEMORATING THE MEMORY OF DR. HEARD.

It is a pleasure to be permitted to participate in the purpose of commemorating the memory of Dr. Heard.

MORE HASTE, LESS SPEED.

ENTREE NOTES.

Fairwell Dinner to Dr. Wiggin

(These are our correspondents.)
The following gentlemen entertained Dr. Wiggin, P.M.C., to a dinner at the Victoria Hotel, Entebbe, on a general send-off: Dr. Stockdale, Mr. Baker, Dr. Spearman, Dr. Pascoe, Mr. Halseman, Capt. Williams, Mr. Bennett (W.V.), Mr. A. Hoop, Mr. Hutchinson, Mr. Fleming, Mr. Moore, Mr. Leppitt, and others.

During the week-end a series of farewell matches were played between Entebbe Sports Club and the K.A.R. who are leaving Entebbe to return to their own stations for some months—to return to Koober.

On Thursday Dec. 24th, The fish half of the game between K.A.R. was fiercely contested and when the whistle blew for the interval neither side had gained any advantage. In the second half the tables turned the greater part of the time and ultimately won a good game. The scorers were: Goal by Coates (2) and Maitland (1) scored for Entebbe.

Cricket—Saturday Dec. 26th—An exciting game resulted in a draw of 50 runs each. The K.A.R. (21) and Hibernian (10) won the highest scores for Entebbe and Baines (20) and Standish (10) for the K.A.R.'s. Dr. Strathairn for Entebbe was in good form with the ball taking seven wickets for 25 runs, and Baines looked well for the K.A.R. obtaining 4 wickets at a cost of 35 runs.

Football—Monday the 10th—A fast and exciting game resulted in a draw of one goal each. For Entebbe and Ferguson for the K.A.R.

The K.A.R.'s left Entebbe en route for Mombasa today. A children's party, which was well attended, was held in the grounds of the Hotel Victoria last week. Every one had a pleasant time.

Mr. Joseph, of the P.W.D., leaves for India after 15 years service in the Government of India. The Members of the Entebbe Club gave a farewell dinner to the officers of the 4th K.A.R. on this week. The Goan String Orchestra, under the direction of Mr. Nayach, was in attendance, and the music was much appreciated.

The Club was kindly entertained and the various ladies present are to be congratulated on the result. Mr. Koober, was present and all the resident members of Entebbe, as well as a sprinkling of K.A.R. soldiers. In spite of a heavy thunder-storm raining the outer members' departure, dancing was kept up until midnight. Whether this was one of Entebbe's most enjoyable occasions.

FOOTBALL GAME

E.A.M.R. versus Rest of K.A.R.

Who should prove an exciting "rigger" match has been arranged to be played on the 31st inst. commencing on Saturday afternoon at 1.45 when a team of K.A.R. will play the "Rest of the K.A.R." General Dowling will kick off, and Mr. A. C. Trenchard will act as referee.

Nairobi Chamber of Commerce.

AS WOOL GROWS LUX GROWS IN IMPORTANCE

Scarcity of wool means dearer clothes. The dearer the material the less one can afford to run any risk of it being spoiled in the wash. Economise by washing all your woollens and dainty fabrics with LUX. It will double their life and in addition, the rich lather preserves the soft fleeciness of woollens, the fresh daintiness of delicate fabrics.

LUX laces rather than forces the dirt from the clothes, and IT WON'T SHRINK WOOLLENS.

AS WOOL GROWS DEARER
LUX
GROWS IN IMPORTANCE

Scarcity of wool means dearer clothes. The dearer the material the less one can afford to run any risk of it being spoiled in the wash. Economise by washing all your woollens and dainty fabrics with LUX. It will double their life and in addition, the rich lather preserves the soft fleeciness of woollens, the fresh daintiness of delicate fabrics.

LUX coaxes rather than forces the dirt from the clothes, and IT WON'T SHRINK WOOLLENS.

It is quite obvious that the engineer has skilled labour with him and in a thousand prices the work goes on as a matter of fact.

It is a new field. Much has been said and more written about small holdings for some time past.

There are ten thousands of acres in the country who wish to return to the soil.

There is a great deal of land in the country which is not being worked.

PEOPLES' OPINIONS

The East African Standard does not hold itself responsible for opinions expressed in letters to the Editor.

B.E.A. WAGE SCANDAL

TO THE EDITOR OF "THE EAST AFRICAN." Sir—Before leaving S. Africa for the purpose of an absence of a few days it would be quite possible to get decent bills in the P.W.D. if we were to go to the country. The Government advertisement appearing in your paper of the 21st was a bit of an eye-opener. I paid 100 to Mr. McGregor, but military clerks are being paid Rs. 210 per month. No honorarium, and doctored. It is hardly likely that a special staff of clerks will be required to deal with the applications which will pour in owing to the magnificent wage offered. I note White clerks are required; don't think there is a minimum of 20 years' colored clerks are 25.

SEGREGATION OF RACES

TO THE EDITOR OF "THE EAST AFRICAN." Sir—It is very kindly allowed by the courtesy of your columns. Having read the views of the Mass Meeting of the Municipal Elections in the Theatre Royal and I noticed mostly in favour of the Segregation of Races.

(1) Are the Europeans going to divide their vote to elect the Asiatic? Are they going to say that the Asiatic are not paying more than their fair share? Surely, colored clerks are 25.

(2) Are they going to deny the Asiatic population are more numerous than the Europeans in the Colony? (3) Are the Europeans able to do without the Asiatic? (4) Whether the Europeans are in a position of not built by the Asiatic, or if they are the only ones to be employed in the Colony, or well.

(5) Does where the Segregation of Races when I understand, they should not have contact with each other?

(6) Is it not better to have a PRIMAGE.

TO THE EDITOR OF "THE EAST AFRICAN." Sir—On reading a S. I. article that proclaims a question of the utmost importance—the trading and production of a currency and consequently the power of the public to vote on attempting to reply to Mr. Ryde's somewhat contentious article appearing in your paper of Tuesday, 24th and 25th.

The question is purely commercial, and outside politics altogether. He writes that he is not a wage-earner, but he is in a letter "The Government in the choice of the currency is a matter of public concern." I can only say that it is a matter of public concern, and it is a matter of public concern, and it is a matter of public concern.

INDIANS' AMBITIONS TO THE EDITOR OF "THE EAST AFRICAN." Sir—The statement regarding the Indians members in the Nairobi Municipality that although there was a proposal to amend the Nairobi Municipality the interest of the Indians members in the Municipality is not a matter of public concern, and it is a matter of public concern.

TO THE EDITOR OF "THE EAST AFRICAN." Sir—I am sorry to hear that the Government is not a matter of public concern, and it is a matter of public concern.

ASIATIC CONTROVERSY

TO THE EDITOR OF "THE EAST AFRICAN." Sir—The speeches delivered at the meeting held in Nairobi on the 24th and 25th inst. in regard to G. E. A. and the rights of the Indian members of the Legislative Council do not impress me as being particularly enlightening. I am sure that the Indian members of the Legislative Council are capable of doing better. I may quote to them that the Indian members of the Legislative Council are capable of doing better.

TO THE EDITOR OF "THE EAST AFRICAN." Sir—Now that the first run of the King of Varsovia is ended, I would like to take this opportunity as author of the play to express my appreciation of the play which they all worked to give success for the production of his play.

HOSPITAL SOCIAL LIFE TO THE EDITOR OF "THE EAST AFRICAN." Sir—I would often enter a great favour if, through the columns of the Standard, you could give me some information as to the social life of the Indian members of the Legislative Council.

AN EXPLANATION. TO THE EDITOR OF "THE EAST AFRICAN." Sir—I have read with no little interest the correspondence "A Question Question," which appeared in your issue of the 24th inst.

TO THE EDITOR OF "THE EAST AFRICAN." Sir—My attention is drawn to a notice which appeared in your issue of the 24th inst. from one of the "Dutiful Citizens" who writes that he had been treated in a manner which is not only a disgrace but a disgrace to the Government.

TO THE EDITOR OF "THE EAST AFRICAN." Sir—The statement regarding the Indians members in the Nairobi Municipality that although there was a proposal to amend the Nairobi Municipality the interest of the Indians members in the Municipality is not a matter of public concern, and it is a matter of public concern.

LIONESS ON PATH

An Exciting Motor Ride to Ruiru. KILLED BY CAR.

What was probably one of the most exciting and nerve-racking adventures in the annals of Nairobi sports was the motor ride to Ruiru on the 24th inst. The motor car was driven by Mr. J. P. Lesidanber, and it was driven to Ruiru on the 24th inst.
