ASK FOR 'W. L. 100'

UNDERWEAR FOR MEN

Unquestionably the best value in East Africa.

A COMPROMISE.

The majority of medical men recommend wool—the majority of ordinary men in a hot climate prefer cotton. In 'W.L. 100' you get the compromise combining the good qualities of both. It has enough wool in its texture to avoid the chilling effect of cotton while the proper proportion of the two materials give it the added virtue of being Unshrinkable.—It scores still higher by being Inexpensive.

Our Lowest Price
Rs. 4-50.

"W. L. 100."

A perfect substitute for all wool. This Vest is made from Pure Wool with an admixture of Cotton. It has the absorbent and non-chilling properties of Pure Wool with the additional advantages of low price and unshrinkability. The present high price of Wool has made this vest more popular than ever.

Our Lowest Price
Rs. 4-50

"W.L. 100" Underwear for Men.

BRAINS AND GRIT PREFERRED TO GOLD

GOVERNMENT AND STATE BANK WORKING WITH THE SETTLER

An Australian, who recently returned to his native land after two years' experience in the R.E.A. has forwarded for the consideration of the Government the following correspondence in which the Australian Government is asked to make an advance to the land in the name of his letter to the Hon. Secretary of State. The letter is a masterly work, and shows that the man who writes it is not only a practical settler, but also a practical business man, and a practical politician. It is a model of what a letter should be, and is a model of what a man should be. It is a model of what a man should be, and is a model of what a man should be.

Applicants for land in the East Africa Protectorate who are particularly selected by the selection board in England or who are given preference at the time of their provincial selection may require the services of local representatives who will cause a choice of land on their behalf for submission to the selection board in Nairobi when their allotments will be made.

Such representatives may also be requested by applicants to sign and accept forest of title deeds under a power of attorney.

Will these firms or persons who are willing to act as general representatives of applicants kindly communicate to that effect with Mr. G. R. Sandford at Government House, Nairobi, giving particulars of land and estates, before April 1st, 1919.

A list of such firms and persons as are approved by the Selection Board in Nairobi will be forwarded to London for circulation among provisionally selected applicants who will then communicate there with them.

The Selection Board in Nairobi will also, if desired, undertake to make arrangements for the appointment of a personal representative in the East Africa Protectorate in behalf of an applicant selected in England.
