### NEW ARTICLES

Kenya boasts few successful editors articles, and each new arrival is accordingly to be welcomed in a country which offers such infinite scope for printing and publishing.  
A recent arrival in the Colony, Mr. W. Hunter, has already taken his place among the best portrayers of pictures which he has recently done of different parts of the country would make delightful gifts.  
Many of the scenes are of falls in the neighbourhood of Nairobi and beyond they include the Mbiru falls, Thika, and the Kiunga falls, and several of the glades in the forest forests are very effectively reproduced.

The luxuries of yesterday have become the necessities of to-day through the convenience made possible by electricity.

HAVE you considered the utility of the Electric Toaster, the Electric Kettle, or the Electric Iron? Have you ever used them? They are just another contribution to Home comfort and convenience.  
For instance—an Edison Electric Kettle will give you over a quart of boiling water at any time of the day or night at the ridiculously low cost of 4 cents for the electricity used.  
Have you seen and tasted the crisp clean freshly-made toast which has been made on an Electric Toaster? You can have an Edison Toaster on your table conveniently beside you where you can attend to it yourself and have your toast hot and fresh.  
Electric Iron, 6 lbs. Electric Toaster, Electric Kettle, Rs. 21-50. Rs. 25-00. Rs. 46-00.  
All finished in polished nickel.

and when you have any wiring done by that your electrical contractor use International General Electric reliable wiring material and devices.

Full line of switches, wire, conduit, lamp holders, wall sockets, lamps, fixtures, bells, motors, etc.
