Owing to the late date of the prize meeting and the changing Monsoon the scores throughout were very low. The most successful shot of the year is G. K. Constantine who although quite a novice shows the promise of becoming a really good shooter. Among the scratch shots J. C. Ward and J. L. Bakewell shot consistently through the year and the latter fully deserved the Chamberlain Cup, which he only prizes for his own. H. Walker has hardly been at Mombasa but is to be congratulated on winning the Turnbull Cup twice in succession whereas by it becomes his property.

**A Safe Medicine.**  
Don't be afraid to give Chamberlain's Cough Remedy to your children. It is useful especially for coughs, croup, and whooping cough, and it is the best medicine for these diseases. It contains no opium or other narcotic. Is safe everywhere.

**FOOTBALL.**

**GYMKHANA vs. PARKLANDS.**

These teams met at Parklands, Nairobi, a friendly game on Friday evening last. Parklands was at full strength in fact they had the strongest team together seen in Nairobi for some time. Parklands were weak being without the services of Pathloro, Chantack and Harding. From the start to the close of the game Gykhana asserted their superiority in every branch of the game, and outplayed, and outscored Parklands completely. Passing a forward line composed of Messrs. Ross, Fulham Barr, Studman and Goodship they stuck to the while Parklands had back division and made their usual time. The match was a particularly fast one, the ground being in good playing condition.  
During the first half Gykhana although they had the wind in their favour only succeeded in scoring once. In the second half however playing against the wind Gykhana taking repeated goals. Parklands team require much practice and an understanding of one another's play. It would be well also if certain members of the team would meet the ball and not stand still until the ball came to them. For the Gykhana team played in a very good manner, especially the forward string. The two Backs, Stone and Thomas appeared to be perfect some waders, and just then the Parklands for a very seldom goal.  
For Parklands little one, 2nd except that Taylor outside right, and Horns centre half played very well. Horns especially had a look to having to be Fulham Barr and Studman. Mr. Macgown proved a very efficient defence. He was impartial and allowed no liberties with the rules.

Our work is not done to a pattern but we endeavour to obtain every feature special to each species.

**SCIATICA AND RHEUMATISM.**

Mr. John Barrow, residing at 15, Duke Street, Bradford, Manchester, England writes:—I shall never fail to recommend Dr. Cass's Backache Kidney Pills to others, for the medicine has done me wonderful good.  
"For two or three years I suffered from what I believe was sciatica and rheumatism. There were pains in the legs and the bottom of the back, and sometimes when walking briskly along a street, I have been seized with sharp, cutting pains in the hips and knees, causing me to walk lame for a time.  
"I have tried mustard baths and Turkish baths, and had medical treatment, but of little avail. A short course of Dr. Cass's Backache Kidney Pills, however, has practically cured me. I have felt like a new man since using the medicine. I remain, yours respectfully, (Signed) John Barrow."  
Nearly 51 and a half years later Mr. Barrow adds:—I stand by all I said for Dr. Cass's Backache Kidney Pills nearly seven years ago, and although I always like to keep the medicine handy, I am glad to say there has been no sign of the sciatica returning.  
"Dr. Cass's Backache Kidney Pills are two shillings and sixpence per box (six boxes for three-shilling billings and "ninety-nine" of all chemists and stores, or post free, direct from Foster, McCallister Co., S. Wall-street, Oxford-street, London, England.
