## THE EAST AFRICAN STANDARD

WEDNESDAY JULY 1 1922

**ROAMING NATIVES** — A case in the police court yesterday afternoon in which the Magistrate inflicted a fine on two natives for being out at night without a light was in our opinion, essentially, one that might have been dismissed with a warning, if the Magistrate had not been so inflexible. It is a pity that the Magistrate is so inflexible, as it is a pity that the natives are so ignorant. It is a pity that the natives are so ignorant, as it is a pity that the natives are so ignorant. It is a pity that the natives are so ignorant, as it is a pity that the natives are so ignorant.

**A PUBLIC PROCEEDINGS** — We observe from the Municipal Council last Friday that the Corporation is being called on for what may be termed a high figure, by the owner of the land adjoining the Nairobi Water Works for alleged damage done by the servants of the Corporation on the land, in connection with the work necessary for taking over with the main pipe. Visitors who know the facts in question will be able to bear witness that beyond a few coffee and forest trees planted out, few improvements of any kind, excepting of course a road and fence, have been effected. The land is in the heart of an agricultural district but as we say little appears to have been done with it. We have little hesitation in voicing the opinion that an owner of good agricultural land who does nothing other than to let it be considered where the public welfare is concerned. Further cases of this kind constitute a potential threat to other settlers in the district if game abounds on the land and the crops of neighbouring farmers are destroyed while the danger of wild pigs bringing with them a host of domesticated animals is a very real one. The existing supply of Nairobi water has long been condemned and it is emphatically necessary to acquire a spring and a certain area of land on which it is suitably situated, and if this cannot be amicably arranged between the owner and the Corporation, action should be taken either by means of arbitration or under the Land Acquisition Act. We are no advocates of unnecessary, or even any, damage to private property but there are cases as times when the rights of the public are above all and any other considerations and the present case appears to be one of them, and to afford little ground for complaint in the present.

THE EAST AFRICAN STANDARD

THURSDAY JULY 13, 1923.

Mr. John H. Harris JUST TOO will not, we feel sure, withhold from the emigrant settlers of this Colony the credit and compliments due to those who independently and spontaneously arrive at similar conclusions upon given subjects. And for once some approximation to general agreement seems to have been arrived at on a matter which each party approaches from its own standpoint and along its own lines. The Anti Slavery and Aborigines Protection Society desires to encourage the Native Producer and to relieve his enterprise of the burlesque handicap that is imposed upon it by taxation the necessity of which arises from indulgence in too much government. The settlers of Kenya are confessedly less altruistic. Their demand for a "Golden" Committee was an act to save their souls and bodies alive, to regain their credit, and to do some more good with their labour than merely to secure a wayward and ineffective bribe on the dole to the Aborigine. But they are entitled to the additional glory that comes of being in time. The careful and considered suggestion of Mr. Harris

and of those other bodies who in England are slowly becoming aware that there is something essentially rotten in the States of Africa, come just too late to be of any effective aid to Kenya, at least. Had the public and Government of this Colony not already taken notice on the lines now suggested, had they not actually carried through a considerable part of their intention for averting the disaster they saw ahead, there would have been few industries, native or other, to profit by the operation of Parliamentary rights and duties, or by the overdue awakening of commercial interests in the Office of London, Manchester and Liverpool that seems certainly to be in process now. We do not know how far the agitation in England for more active official interest in those territories is an echo, conscious or otherwise, of the part of those who now sit on the benches of the demand that the Colonies have been making during many months that have brought to our aid little but platitudes from our London rulers. We are content to believe, that if it is a realization independently arrived at the implication of disturbing balance sheets, and the shock of disquieting annual reports. But to those in England who have thus come to a conclusion and suggestion definitely second best to that which has been adopted here, we would respectfully, but not without a certain sense of satisfaction, intimate that if it is Kenya is concerned they are really just too late, and that their committee are to fall well on the way to relief. "The rest on the spot" have done it, and already, and have given to the Colonial Office, if not to the great British public, from whom the Colonial Office derive their authority as a department of the Government of

A RETURN MAYON.

The following opinions of the principals, referee and boxing experts on the now famous fight between Carpentier and Kid Lewis in which the former won in the first round, have been gathered together in a comparative article by the "Daily Mail," and would make interesting reading in view of the controversy that is still going on in connection with this contest: We are informed that Dempsey and Carpentier will meet within a year for a prize of £7,000, £20,000, to the winner and £25,000 to the loser. How the little champion, like Jimmy Wilde and Johnny Ruff must sigh for an extra 5-6-7-8-9-10-11-12-13-14-15-16-17-18-19-20-21-22-23-24-25-26-27-28-29-30-31-32-33-34-35-36-37-38-39-40-41-42-43-44-45-46-47-48-49-50-51-52-53-54-55-56-57-58-59-60-61-62-63-64-65-66-67-68-69-70-71-72-73-74-75-76-77-78-79-80-81-82-83-84-85-86-87-88-89-90-91-92-93-94-95-96-97-98-99-100-101-102-103-104-105-106-107-108-109-110-111-112-113-114-115-116-117-118-119-120-121-122-123-124-125-126-127-128-129-130-131-132-133-134-135-136-137-138-139-140-141-142-143-144-145-146-147-148-149-150-151-152-153-154-155-156-157-158-159-160-161-162-163-164-165-166-167-168-169-170-171-172-173-174-175-176-177-178-179-180-181-182-183-184-185-186-187-188-189-190-191-192-193-194-195-196-197-198-199-200-201-202-203-204-205-206-207-208-209-210-211-212-213-214-215-216-217-218-219-220-221-222-223-224-225-226-227-228-229-230-231-232-233-234-235-236-237-238-239-240-241-242-243-244-245-246-247-248-249-250-251-252-253-254-255-256-257-258-259-260-261-262-263-264-265-266-267-268-269-270-271-272-273-274-275-276-277-278-279-280-281-282-283-284-285-286-287-288-289-290-291-292-293-294-295-296-297-298-299-300-301-302-303-304-305-306-307-308-309-310-311-312-313-314-315-316-317-318-319-320-321-322-323-324-325-326-327-328-329-330-331-332-333-334-335-336-337-338-339-340-341-342-343-344-345-346-347-348-349-350-351-352-353-354-355-356-357-358-359-360-361-362-363-364-365-366-367-368-369-370-371-372-373-374-375-376-377-378-379-380-381-382-383-384-385-386-387-388-389-390-391-392-393-394-395-396-397-398-399-400-401-402-403-404-405-406-407-408-409-410-411-412-413-414-415-416-417-418-419-420-421-422-423-424-425-426-427-428-429-430-431-432-433-434-435-436-437-438-439-440-441-442-443-444-445-446-447-448-449-450-451-452-453-454-455-456-457-458-459-460-461-462-463-464-465-466-467-468-469-470-471-472-473-474-475-476-477-478-479-480-481-482-483-484-485-486-487-488-489-490-491-492-493-494-495-496-497-498-499-500-501-502-503-504-505-506-507-508-509-510-511-512-513-514-515-516-517-518-519-520-521-522-523-524-525-526-527-528-529-530-531-532-533-534-535-536-537-538-539-540-541-542-543-544-545-546-547-548-549-550-551-552-553-554-555-556-557-558-559-560-561-562-563-564-565-566-567-568-569-570-571-572-573-574-575-576-577-578-579-580-581-582-583-584-585-586-587-588-589-590-591-592-593-594-595-596-597-598-599-600-601-602-603-604-605-606-607-608-609-610-611-612-613-614-615-616-617-618-619-620-621-622-623-624-625-626-627-628-629-630-631-632-633-634-635-636-637-638-639-640-641-642-643-644-645-646-647-648-649-650-651-652-653-654-655-656-657-658-659-660-661-662-663-664-665-666-667-668-669-670-671-672-673-674-675-676-677-678-679-680-681-682-683-684-685-686-687-688-689-690-691-692-693-694-695-696-697-698-699-700-701-702-703-704-705-706-707-708-709-710-711-712-713-714-715-716-717-718-719-720-721-722-723-724-725-726-727-728-729-730-731-732-733-734-735-736-737-738-739-740-741-742-743-744-745-746-747-748-749-750-751-752-753-754-755-756-757-758-759-760-761-762-763-764-765-766-767-768-769-770-771-772-773-774-775-776-777-778-779-780-781-782-783-784-785-786-787-788-789-790-791-792-793-794-795-796-797-798-799-800-801-802-803-804-805-806-807-808-809-810-811-812-813-814-815-816-817-818-819-820-821-822-823-824-825-826-827-828-829-830-831-832-833-834-835-836-837-838-839-840-841-842-843-844-845-846-847-848-849-850-851-852-853-854-855-856-857-858-859-860-861-862-863-864-865-866-867-868-869-870-871-872-873-874-875-876-877-878-879-880-881-882-883-884-885-886-887-888-889-890-891-892-893-894-895-896-897-898-899-900-901-902-903-904-905-906-907-908-909-910-911-912-913-914-915-916-917-918-919-920-921-922-923-924-925-926-927-928-929-930-931-932-933-934-935-936-937-938-939-940-941-942-943-944-945-946-947-948-949-950-951-952-953-954-955-956-957-958-959-960-961-962-963-964-965-966-967-968-969-970-971-972-973-974-975-976-977-978-979-980-981-982-983-984-985-986-987-988-989-990-991-992-993-994-995-996-997-998-999-1000

The Referee.

The referee, Mr. Palmer, states that he was not speaking to Lewis having just previously told both men to break, nothing more being said. Lewis was hit just after coming out of the clinch. Carpentier undoubtedly boxed his man twice with his head—hard too—but it was not from any intention on his part; his head smashed into Lewis's chin in consequence of his desperate efforts to get away out of Lewis's grasp and escape. To be perfectly candid, Carpentier was at the moment Lewis sprang into close range and began his furious pounding at the mid-section. So deep an impression on Lewis's mind that the ringside odds came rocketing down from 7 to 5 on the Frenchman to head events. The "half-way house" of 5 to 1 was never even offered, and Carpentier's supporters were not tumbling over each other as they tumbled again.

Opinions of the Principals.

"I would never have believed it of the Frenchman," said Kid Lewis in his dressing room. "That was one of the 'thinner' things I've seen for years. Maybe he was within his rights in slipping his hand, while we were still on the break, but I'd have thought I was giving away quite enough without that. He had held my weight, reach, and everything that makes a fighting advantage. Surely he didn't need to stretch the rules too."

Speakers' Opinions.

Mr. B. B. Joel: "I think it was a most unsatisfactory ending. I think the referee was a foul. The referee was talking to Lewis of the moment Carpentier hit him. Lewis had his hands down, although neither unexpected and a blow in the circumstances he was entitled to think he should not be hit."

Joe Beckins (Heavy-weight Champion of Great Britain):

"That was a fine punch that was Lewis down; but the latter was at a disadvantage at the moment."

Joe Beckins (Continued Middle-weight Champion):

"Although I have backed the winner, I scarcely think Carpentier acted up to the spirit of the game."

"Gimme Children":

"Quite a lot has been said and written about the Frenchman delivering his 'perfectly timed punch' and winning. Of course it was perfect but for the actual conditions a child could have done as well except for the power and it did not need a champion to effect a knock-out where no resistance was offered."

THE TURF

Now! Oh, no! I don't think an opponent was better prepared to see his old foe Lewis should not have been so much surprised. I thought he had a lot to blame him for.
