NO RELIEF FROM AMERICA.

The following report is to hand from Memphis, Detroit and London, Oct. 12.

Reports from Manchester and London indicate that the general situation remains unchanged.

What the ultimate result of this policy will be is hard to say.

Indian advices show a big recovery for most districts.

Prices are firm and quotations advanced all round.

breakfast, was Colonel Stuart Paine who made the most deft escape. All Kenya's chess players will share our hope that he will come back soon, and all our readers will wish to see in an appendix to the book a list of the names of those who have concluded that it was not the individual's intention to be so long in the game, but that he must have been prevented from doing so.

I do not feel very profound just now. The Chess Column goes on as usual, and we are glad to see that the chess players are still so keenly interested in the game. The chess players are still so keenly interested in the game.

It was a great experience. I had the privilege of entertaining a lady who was a great chess player. She was a great chess player and I had the privilege of entertaining her.

Chess is a game - a GAME! I am on a holiday and having a jolly time.
