THREE YEARS' WORK AT ST. MARK'S CHURCH.

Annual Meeting Tributes.

REV. A. C. YODDEN'S THANKS TO HIS HELPERS.

Judge Maxwell's Eulogy.

SATISFACTORY REPORT OF UNANIMOUS AND RECORD OF "HEALTH OF COBLES".

The progress that has been made by the St. Mark's Church since its opening in 1921 has been most satisfactory.

It is a pleasure to note that the number of communicants has grown steadily and is now over 100.

During 1923-24 we have had 111 communicants and 103 baptisms.

It is with very much regret that we have to say that the Rev. A. C. Yodden has been unable to attend the annual meeting.

While we regret the loss of his services, we are glad to hear that he is recovering from his illness.

We do not think that the growth and maintenance of the Church's work is dependent on the presence of any one individual.

POULTRY NOTES

NEW WEATHER COMPLAINED - RHEUMATISM - This trouble afflicts the whole body but is usually confined to the legs. It is usually the outcome of exposure to bad weather.

SYMPTOMS - The first symptoms is the contraction of the muscles of one or both legs. The bird draws up the leg affected, and, if the attack is a bad one, the bird will be unable to walk. The bird will appear to be in some trouble, but it will not be able to walk. The bird will probably be unable to stand and will be found squatting on its haunches.
