**REQUIREMENTS SENT.**  
**Sequel to Recent Pro-Egyptian Demonstration.**

**[LONDON AGENT.]**  
London, Aug. 13.—The British government is proceeding to send troops to reinforce the British garrisons in the Sudan in consequence of the outbreak of the pro-Egyptian demonstrations in the Sudan. The first intimation of the military action at Khartoum was on July 10th, when a company of British troops disembarked in the Sudan. In the second phase of the Egyptian railway rebellion in Khartoum, July 10th got out of hand and a number of British troops were sent to reinforce the British garrisons in the Sudan. The railway men were ordered to leave the Sudan and return to their homes. The British government is proceeding to send troops to reinforce the British garrisons in the Sudan. The railway men were ordered to leave the Sudan and return to their homes. The British government is proceeding to send troops to reinforce the British garrisons in the Sudan. POULTRY NOTES.

Several Parrots. I have been taking the opportunity to write a few lines on the subject of parrots. The parrot is a very interesting bird, and one which has long attracted the attention of the human race. It is a very intelligent bird, and is capable of learning to speak, and of imitating the sounds of other birds. It is also a very beautiful bird, and is often kept as a pet.
