WOLLEN HEADS v. DIGNITY.

Nairobi Town Councillors Discuss Robes of Office.

AMERICAN SUGGESTED!

Reservist Sent Charge for Royal Visit Being Reconsidered.

COUNCILLOR OBJECTS TO TREATMENT AS "NORON'S DAUGHTER."

MAYORAL REGALLA.

Nairobi Town Council had a busy day on Tuesday on the subject of robes and hats for the Royal visit. Comments and proposals were frank and varied; later also...

Some discussion also took place on the use of the word "councillor" in reference to Her Royal Highness, but the Council finally decided that the proposed address was a model of perfection, and instructed Mr. Fischer to proceed with the work of illuminating it.

THOSE ROBES.

The Town Clerk having informed the Council that he had called for an estimate of the cost of providing councillors with robes, Mr. Austin opened the debate which ensued with a few remarks on the subject of civis dignitas.

TRUMPET AID.

Mr. Austin's suggestion that the Council should purchase a trumpet for the occasion of the Royal visit was met with a warm reception.

AND THOSE HATS!

Councillor Bidwell referred to Councillor Austin's remarks on civis dignitas, designating such dignity as "the dignity of swelled heads."

MR. BENNETT RECALLED.

Mr. Bennett, called by the Mayor, stated that the light he had shed on the subject was barely visible. The only reason he gave was to warn approaching leaders.

CASKET.

Deaths having been submitted to the Council for the week ending 28th October, the Mayor presented to Their Royal Highnesses, the matter was left to the Mayor to deal with as to the design and material. The casket next favoured is one of wood, very and airy.

WOMEN.

Mr. Austin advocated that the women should be given the same treatment as the men, and that they should be given the same robes and hats as the men.
