THE FORD A QUALITY PRODUCT.

The low price of the Ford car and the Ford Truck is due only to the brains and organization and the high quality of the materials used to produce it. This may sound a peradox, but it is the truth and a fact con-firmed by the number of Ford Cars and Trucks sold in excess of any other makes.

BEAUTIFUL FURNISHING .

Cretonnes.

Our range of Cretonies is unequalled in Kenya for variety of colouring and design and also in wearing qualities. We have just received a large selection of the newest and most, pleasing designs of the celebrated "Lion Rural Fabries," and these are now being absent in our

soft furnishing depart-ment. Amongst our range are patterns and materials suitable for upholstery. suitable for upfiolitery, curtains and loose covers. All the best makers are represented and our goods are specially selected to guarantee every satisfac-tion to the purchaser.

Price, Shs. 2/75 to 12/75 per yard

We make up our own materials in our workshops, into loose-covers for chairs and settees or upholtsered covers on chairs, and settees. We also re-cover customers' own chairs and settees. We can make cushion covers, pouffe covers, curtains and screens, in say of the materials here advertised at the shortest notice.

OUR MAKE IS THE BEST AND OUR CHARGES THE LOWEST.

IF YOU CANNOT MAKE A GOOD RANGE OF PATTERNS

Our Range of These Goods is Absolutely Unequalled

STRANGER

than FICTION

No ORDINARY typewriter can stand the hardship of the explorer's life. That is why nearly every explorer carries a Corona in pref-erence to any other machine.

Corona went to Africa with Col. Roosevelt in 1909 and to Brazil in 1916 when he explored the "Mystery River." Corona was with Sir Ernest Shackleton on his last fatal dash for the pole and spent 270 days under ice and snow with the MacMillan Arctic Expedition.

If you want a typewriter that will stand hard treatment, buy the one typewriter with proved durability—Corona. Phone us for a demo
