SISAL. We are instructed to offer a very developed sisal plant, complete in every detail, as a going concern, at a figure that will not substantially exceed that of purchase.

MAIZE. Four farms, each of approximately 1,000 acres, in the best part of the NORTON HILLS BELT. Underplanted, and upon very reasonable terms and conditions.

COFFEE. The owner of a well developed coffee plantation producing annually a substantial net revenue from a large acreage in full bearing, desires to negotiate some very favorable terms and conditions. A really lively, and profitable business in Kenya.

sample looked to be so far as the daily production is concerned. But that, in fact, is not the case and that is regrettable and justifying for the presence of British Administration in Tropical Africa. It is the fact that the Administration is not doing its duty in the best interests of the native population.

OUR ROBERT GOULDEN. Robert Goulden was a man of many talents. He was a man of many talents. He was a man of many talents. He was a man of many talents. He was a man of many talents.
