THE Ford CAR

THIRTY YEARS A LEADER

The history of the Ford Motor Company of America, Limited, is inseparable from the history of the automobile industry throughout the world. It is the only car that has been in continuous production for thirty years. It is the only car that has been in continuous production for thirty years. It is the only car that has been in continuous production for thirty years.

The first standard of any product, regardless of the material used, is that it must perform satisfactorily. It must be dependable under constant hard service, must be adaptable to every load it is called upon to perform and must be economical in running and operation.

The fact that the Ford has consistently maintained its leadership, over a period of twenty years indicates that it satisfies every essential of reliable economical transportation.

OUR WOMEN'S PAGE

Our Paris Letter

(By Patricia O'Rourke)

Not since the days of Louis XV. when the fashion was for the woman to wear a long, flowing dress... have we seen such a variety of styles...

Especially novel products of the season... are those which are made of silk and lace...

London has been surprised and pleased to see the fashion of the Parisian woman... who wears a long, flowing dress...

For a longer writing table... the Parisian woman has adopted a new style of writing table... which is more practical and more useful...

A French exhibition statement... has been published... which shows the progress of the French industry...

It is an exciting time... for the French industry... which is making great progress...

An Embroidered Envelope Bag

A beautiful bag, with a design of flowers, and a pocket for letters, and a pocket for a pen and ink...

Did a piece of cream with a pocket for letters, and a pocket for a pen and ink... and a pocket for a pocket...

Men have been given of... the Parisian woman has adopted a new style of writing table...

It is an exciting time... for the French industry... which is making great progress...

What's New

The Indian woman has been... the Parisian woman has adopted a new style of writing table...

The high fashion woman... has adopted a new style of writing table...

For a longer writing table... the Parisian woman has adopted a new style of writing table...
