Terms -

£3000 year for three years.

First class passages and
quarters.

Duties - Some idea of them may be
formed from the table on p 506
of Col. Sim's report as printed.
It is evident that the duties
will be almost entirely clerical.
Experience in land work either in
the colonies or in land agents'
office here - would be a desirable
qualification - see what Mr Smith says on
p. 10 as to Mr. Baxter Wright and
of the experience.

W. Adams & W. Brown have something of
the right kind of experience.

If W. Harris & Co. see it agree, we had better
write Miss Chase in the first instance

at once.

Replies attached. The case of W.
Woodruff was referred to Miss Chase
by your direction on the receipt of
\$700.

If the matter is proceeded with
we can also consider W. Shaker
(a candidate for general Col. employ-
ment in 1871/72 Patge) but
W. Woodruff of course has the first
claim.

At present, however, the
matter must be held up, till
we get the despatch referred to in

Dear Mr. Howley

You will see by the
enclosed letter from Col. Helling
(which there is no need to
return), that he considers
Mr. G. Woodruff suitable for
appointment as Post Land
Office

Yours faithfully

Dear Close -

Your letter of the 9th Inst
 arrived me at Edinburgh, but I
 had not the means of replying till
 I returned here to consult records.
 I am not personally acquainted
 with Mr George Woodruff - but
 his records show he was a good
 all round man in the field, and
 was good at quick at figures, the
 use of Logarithms &c. - He was con-
 sidered a very promising man,
 and I should think he was quite
 suited for the post of Assistant
 Land Officer.

Yours very truly
 R. K. Sellars

Dear Bottomley

Your letter of the 2^d
of the 2^d of the candidates for
the post of Asst. Land Officer
was forwarded. Once on leave
I shall be back in town on
the 8th

I have read the candidate
papers. I think that Mr E. V.
Thomas might do the business
I have had a good deal of
official experience and will
probably know as much
about cadastre surveying as
is necessary for a person in

The Land Office. Pilkington
was in a good deal

I should think he would do.

The other man F. L. Morris
has not appeared in the Court
the man before

Yours sincerely

Dear Mr. Ellis,

29 DEC 05

I have now
checked the unclassified
of the Estimate in accordance
with the C. O. Financial
instructions and they are in
the form. I hope they will be
sent off by the French mail of
28th inst.

There are necessarily
differences from the
Budgets carried home as
representing total Revenue,

Total Expenditure and
amount of Grant enclosed
required.

The Jackson has gone
upcountry to meet Colonel
Tadler, but, before leaving
Nombasa, authorized me
to send you enclosed
statements explaining the
differences required to allow
and also the statement
showing how the grant - in -
aid is computed.

Yours sincerely
Charles H. Brown
