We have never had a Map for the Report on the E. A. P.

Would it not be well to ask the Colonial Government to furnish one for next year's Report?

This is an interesting report - I notice that no less than 300 lions were killed during the year, but it is not stated whether or not this is due to Mr. Rossmell's activities.

Publish - & tell the gov: to send a map with next year's Report?
