The Gov. has now assented to this ordⁿ.
Strictly we shd now signify H.M.'s
non-disallowance; but this has already
been done in an des^p. 21 Jan. 1910
for 1713 Pa. b., altho' at that time
the ordⁿ had not been assented to.

Yes. They have taken the alternative which I
recommended ^(for concision) in a recent despatch in a similar case.
ie they have recommended the B.M. & passed it as
a 1910 order, and I hope they will take this
course in other similar cases, as it avoids the
anomaly of having an order on the Statute Book
passed by the Leg. Council in Dec 09, assented to by
the Govt. in March 10 and yet numbered — of 1909.
