15/9 September 1911.

Sir,

In the circumstances represented by Mr. Secretary
Harcourt in Sir C. Lucas' letter of the 11th instant
(29563/1911), the Lords Commissioners of His Majesty's
Treasury are willing that a salary of £250 - 10 - 300 should
be assigned to the post of Headmaster, "C" School, Mombasa,
in lieu of the salary of £200 - 20 - 300 provided in the
Estimates for the current year.

I am,

Sir,

Your obedient Servant,

J. R. [Signature]

The Under Secretary of State,
Colonial Office.

Sept 20

I am just back from leave and find one or two points to write to you about.

(1) The post of Headmaster in the Arab school at Mombasa is again to be filled. You will remember that the original salary was £200 by £20 to £300. This has now been altered to £250 by £10 to £300 as it was found that £200 was too low a figure for a University man to start at in Mombasa. I enclose some copies of the conditions, as revised. A young graduate of Oxford or Cambridge, who is likely to impress the Arabs as a gentleman is above all things required. He need not have a good degree, but should be of good character and influence, fond of teaching and, if possible, with a turn for languages, as he will have to learn Swahili as soon as possible.

(2)

(2) The post of Vice Principal of the Government Model School, Sierra Leone, will also have to be filled within a few weeks. If you remember, I sent you details of this post about three months ago, saying that a candidate would be required in the autumn. I now enclose a further copy of the conditions.

An honours graduate of a British University with a qualification in manual training is required. He should have some teaching experience and by preference should be a science man.

If you know of any man whom you think suitable for either of these posts I shall be very glad if you would let me know of them.

PS You will of course regard what I have said as to our requirements for the post as strictly confidential

HEADMASTER OF ARAB SCHOOL.

KOMRASA.

1. Salary £250 rising by £10 annually to £300 pensionable.
2. Quarters free of rent or an allowance in lieu.
3. Free 1st class passages.

Dear Mr. Furse,

Thank you for your kind letter of yesterday, which of course we shall regard as strictly confidential. I am glad to know there is to be some improvement in the conditions of the Mombasa appointment, for of the large number of men whom I had approached in the matter none were found to be available, with the exception of Vincent Morley. I will now gladly make further inquiries.

I am also writing to a few possibilities for the Sierra Leone vacancy, but I am afraid the requisite Manual Training may be difficult to find.

Faithfully yours,

R.S. Goodchild

Dear Mr. Furse,

I am now able to make the following suggestions

for the Head Mastership of the Arab School at Mombasa:-

P.E. GREVILLE, C.N. HEATH, and J.N.S. OWEN.

The pick of these I certainly should say would be P.E. Greville. He is not a very impressive man in build but he is distinctly a gentleman and has had a good Public School education. He has just refused a Mathematical Mastership with elementary Science at Perth, Western Australia. He would seem to have very useful qualifications for Mombasa and has decided ability for picking up languages.

I do not know C.N. Heath personally but Mr. Roberts speaks well of him and thinks he would be a good selection for Mombasa. The Emmanuel Tutor speaks extremely well of him. You will probably prefer to fit him in for the Government Model School, Sierra Leone

Model School, Sierra Leone, for which I think he might be tempted
to apply.

J.N.S.Owen is perhaps the last choice. He is good as
far as he goes and may be quite trusted to give of his best. He
too is very favourably reported on by the College authorities.

May we ask any or all of these to send you a direct
application? Their qualifications and addresses are given on
separate sheets.

Faithfully yours,

R. S. Goodchild
