Mr. Harris

The local people must settle the details of what is required. The proposed expenditure -

at least the capital outlay of Rs 9000 and say £600 - does not seem very heavy.

I would not have a regular annual grant of Rs 2666 (which seems heavy) or any fixed annual grant.

EAST AFRICA PROTECTORATE.

GOVERNMENT HOUSE,  
NAIROBI,  
BRITISH EAST AFRICA.

No. 284.

March 26th, 1914.

Sir,

I have the honour to acknowledge the receipt of your despatch No. 95 of the 9th of January, on the subject of the grant of mining leases to Mr. Moynagh and Mr. Paqualin.

2. I regret the delay in replying to your despatch No. 405 of the 28th of May 1913. The draft lease was prepared and forwarded to Mr. Moynagh early in September, and I understand that that gentleman despatched it to his partner in London for his consideration. Subsequently Mr. Moynagh himself left for England, and I presume, therefore, that the matter is under discussion at home.

I have <sup>etc</sup> the honour to be,

Sir,

Your humble, obedient servant,

*A. Conway Rosejird.*
