## CONTRIBUTION TO BRITISH RED CROSS SOCIETY

Strongly recommends contribution £500 to special collection in return for material assistance rendered in local campaign. Amount to be provided from savings as indicated.

In Bet. by Mr. Read.

A | Capt. can hardly be expected to be generous in his present financial circumstances, but the proposed contribution to the Red Cross Society is one which, in my opinion, I should think, be sanctioned. See 4899/15 and 8042/16 for some details of the work which the Society has done and is doing in East Africa.

Telegraph approving contribution on the lines proposed.
