Service with P.W. Deptt

To original duplicate of certificate of service and upholds his conduct during

~~he has been~~ ~~referred to~~ ~~in~~ ~~the~~ ~~same~~ ~~letter~~ ~~as~~ ~~the~~ ~~one~~ ~~above~~ ~~but~~ ~~not~~ ~~so~~ ~~fully~~.

Capo is often called on the job a man of fact that on the day that he was discharged from the P.W. Deptt. for malversation & why he was promoted is the rank of Capt (Assistant Captain 5623/19). I think we might send copy of this letter and a copy of his certificate you keep out each Nation and ask for a copy to be held for future reference & have regard to him in the same

P.R.C.

27/11/19

I am afraid I don't see that the
date he was given to do so - and
when he will be my self to think it
the man to do it he may be too
old to do it so I would like to know
at what age he can do it &
he does not mind the date of his discharge

Next subsequent Paper.

I do not feel any difficulty in
arguing with a man, whenever
he gives an unsatisfactory
report upon the head of his
dept. Naturally, he would
not feel any that

? send copy to Gov. for con-
& for our own inf: ask for
full report on the alleged
slackness & inattention.

? send Cd. Misappropriation for
inf: copy of the report - say
that if he applies for a
Cd. app't, they shall not
consider him without ref'.

We are informed that the S.P.C. is
now on its way home.

W. Butterfield does not ask us to
carry to London, neither & may be very
relaxed by full of dissatisfaction
as he seems. After this
affair as the court is now on
trial.

Memo 60464/1/16

4/64

With reference to the above communication I attach hereto original and copy of Certificate of Service with the Florida Government. I do so for the following reasons:-

1. It is unlikely on the face of it that you will be prepared to give me another appointment and it is therefore useless to me.

2. I do not agree with the latter part of the statement concerning

the application of No 2. I shall do

able to prove such that I did not obtain this certificate, namely, seven or less to South Africa & the date on which it was issued is in fact to be found on the company letter also enclosed herewith. On my arrival at Cape Town and after many interviews with the Director of Public Works, prior to my joining the active service, I protested against the reason given for my dismissal as an injustice, much such as it deprived us of all benefit regarding leave which I was given to understand would accrue for faithful service and I also gave most emphatically that I did not feel during the 19 months time with the Public Works Department.

I was surprised a trifling
agreement and the Director of Public
Works was quite willing to give me
a discharge without a forfeit, in view
of the did not require of company any
longer but yesterday that he should have

There was a clean certificate of service
in every respect which was so satisfactory
that I thought you

will be pleased. The present plan
of the road goes out at the time I took
over the work and can only assure
you that every yard of the road was
made as solid & dry as and as
low a cost as possible. The road will
only with the distance. Granite had to
be quarried and brought to the roadside.
It is not practicable although it may be
possible given an army of masons
masons, to quarry each stone in the
main trenches and the expense would
be at the time. The line of the road
was defined for a very long
time by trees so the engineers omitted
the work. In ~~the~~ ^{the} ~~end~~ ^{of} the
technical letter of the work was
not carried out. It was done but
poorly and with a view to economy.

for the benefit of my employer and if
you can so desire the recognition of
a clear certificate of same.
