INDULGENCE PASSAGE
PERMIT TO TAKE OUT DOG

18 Jan

Last previous Paper.

Requests

Mr. Jennings

Please see the Diseases of Animals Rules of 11 March 1912 & 10 July 1913, especially para 12 of the former. There would seem to be no restriction upon the importation of dogs if from this Country

WMS 21.1.19.

Mr. Robinson

She does not ask etc. about the passage, so perhaps we had better confine our reply to the question of the dog.

Draft for consideration
