I cannot find any recent appt of an Asst. Traffic Manager. ^{CA} 60182/17 concern a vacancy vice Mr. Dues. Mr. Rucker has since left. heading to a dispatch in by this mail (not yet registered) there are 4 vacancies & the Gov. recommends three men for appt and says there is no suitable candidate for the fourth.

I understand from Mr. Rothman that Mr. Christison's file has gone on, & that Mr. C. has no railway experience, but in this point refer to the case of Frank Hardy (file across below) who was a first holder in the Asst. Traffic Manager. See 2017
