Mr. Bradley,

I can't imagine why he could not inform the I.P.B. Board of his address himself as per our letter 208010 (104/53079/200)

I will tell him that I.P.B. have been notified and explain future change of address should be communicated to them direct. Tell him to communicate with I.P.B. re his pay, adding that we have asked them to do the same for him as would have been done for a. In period ex-soldier in the same case. See memo (see above) 222 (2/58280/10) will be issued as soon as application is used for etc.

Tell J.G. to refer to Dep. Mr. G. (600 80/21754/10750) and send copy of Dennis letter of 15th March, and ask that not many more may be made with a view to query him some further. It would be afforded to an Imperial soldier adding that papers to be issued will be reported by.

Dear Sir,

My address will be as above for
some little time to come. I should be
glad if you notify the Imperial Business
Office Pretoria.

I wrote you some time ago with
regard to Soldiers' gratuities which
the House of Commons had voted.
I believe that it was intended to be
£24 which I think you had to
become at your earliest convenience.
I require further treatment on my
jaw, a small operation which as
my business is of very little use
and I shall be glad if you advise the
Authorities at that time as to the
best method of treatment.

Yours faithfully,
J. G. O'Connell
