Passage for Nurse.

Again requests - Thinks a med cert. is unnecessary as she is used to take care of a two months old baby.

These medical certificates are more or less formal. It is quite certain that Mr Dudgeon could get me. Recommend the nurse 3 for 22 uniform.

FROM:- Major A.F. Dudgeon
TO:- The Under Secretary of State for the Colonies

Sir,

I have to acknowledge the receipt of your letter No. 70054/1919 dated Dec. 12th and its enclosure.

I note that if the nurse is required to look after my wife on the journey, she will require to obtain a medical certificate to this effect, but as the nurse is required to take care of a baby about two months old, surely this will not be necessary and I should like to hear from you again on the subject as it must be obvious that a baby of that age cannot travel without a nurse without a medical certificate to say so.

I have the honour to be,

Sir,

Your obedient servant,

Arthur F. Dudgeon
