SHOW WEATHER: Rather cloudy with

VISITORS to the Royal Show yesterday saw stock from most of Kenya's lead-ing breeders concentrated in the arena for the grand parade of cattle.

Public and members' stands were packed. Heavy clouds, which passed over the showground in mid-afternon failed to prevent a bigger attendance than last year. A few heavy spots of rain fell, sending spectators scuttling for cover, but the storm passed by.

SYDNEY

Forflucrative investment, no country in the world today offers prester opportunities than Australia. With a population increase of 25% in the last decade, bounding prosperity, fremendous progress in pastoral and manufacturing industries, and untold mineral wealth, Australia has entered a period of expansion paralleled only by America at Of all avenues for men.

Of all avenues for profitable investment, statistics prove the richest is in the field of real estate. Values of industrial, commercial and home building sites have increased at a far greater rate than any other physical assets. Business forecasts confirm the continuation of this trend. As an example: The unimproved capital value of the city of Sydney has almost trebled since 1949.

# M: U.K. NO ANSWER

# Solution must be found in Kenya

D answer to the financial problems of Kenya was to b City of London, Ald. I. Somen, chairman of the Finan-

Natrobi City Council last night.

Reporting on the talks he recently attended with financial lead don, he said: "The answer lies in Kenya itself. It was made quit see that there is no magic wand nor any miracle which is going to Ald. Somen said improved the council last available for Kenya."

## COUNCIL TO THINK loan. AGAIN ON RENT RISE PLAN

ENTS for African housing owned by the con-Nairobi City Council, due to be raised by ween 10/- and 100/- a month from December I, to be re-discussed at the next meeting of the to be re-discussed at the next meeting of the to be re-discussed at the next meeting of the to be re-discussed at the next meeting of the to-discussed at the next meeting of the council last night that all been discussed would would be given the opportunity and the result of the next meeting of the nex

# SAFE INVESTMENT!

For lucrative investment, no country in the world today offers greater opportunities than Australia. With a population increase of 23% in the last decade, bounding prosperity, tremendous prior in pastoral and manufacturing industries, and untold mineral wealth, Australia has entered a period of expansion paralleled only by America at Office 11 and the century.

the turn of the century.

Of all avenues for profitable investment, statistics prove the richest is in the field of real extate. Values of industrial, commercial and home building to the field of the field of a first present and the physical assets. Business food at a far greater rate than any other physical assets. Business food the first profit assets for the state of the city of Sydney has almost trebled since 1949. If you are injerested in a sound Austrialia Real Estate investment send the cought below to the Savoy Corporation Limited, Austrialia's Leader in Réal Estate Development. ## Kanu leader demands action—not promises

RESOLUTIONS, statements and ideas of support from the Indians
Kenya were not of much interest to the African people, the Secr tary-General of Kanu, Mr. T. J. Mboya, said in Nairobi yesterday.

Referring to the speech of the chairman, Mr. S. C.
