ZATOEK REPEATS HIS 1948 VICTORY

Sprint finish to 10,000 metres race

EMIL ZATOEK of Czechoslovakia, thrilled 79,000 operators at Helsinki late on Sunday by beating his own Olympic record for the 10,000 metres of the day, the top in London. He won four 400 metres races.

His time was 29 min. 37 sec. compared with 27 min. 54.6 sec. at the last Olympics. But he was well behind his own world record figures for the distance of 22 min. 2.6 sec. set up two years ago.

A. Wilson of France was second, 30 min. 11.2 sec. Britain's Johnnie Blaxland was a fair bit off at 31 min. 17.2 sec. The 10,000 metres race was the only one in which Zatoek and Wilson were not in the lead.

The crowd roared themselves hoarse when Zatoek crossed the line. Czech Army music played the last tune.

When he was about 150 yards from the finish he had a splendid start and made the lead.

Wilson was second, 30 min. 11.2 sec. Blaxland was a fair bit off at 31 min. 17.2 sec.

Vegetables should be on sale today

WHOLESALE ORGANISED

Nairobi's vegetable supply has been virtually cut-off since last Monday when African wholesalers stopped supplying their produce to the Marketing Board, which is expected to be back to normal in time for weekend shopping.

At a meeting held on Wednesday, the wholesalers' representatives and the Marketing Board agreed to meet again on Friday to discuss their respective proposals. It was expected that their meeting should again be an offer to retailers.

It was reported that some wholesalers were still in the market, but that a Council of Wholesalers had been formed to coordinate their efforts. The Council was expected to meet on Friday to discuss their proposals.

Some of the wholesalers who were still in the market were said to be selling their produce at a price which was 10 to 15 per cent below the market price.

It was also reported that some wholesalers were still in the market, but that a Council of Wholesalers had been formed to coordinate their efforts. The Council was expected to meet on Friday to discuss their proposals.
