Announcement

AS soon as war commitments permit, Rolls-Royce will resume the manufacture of Motor Cars.

These cars will follow, basically, pre-war models. The traditional Rolls-Royce quality and refinement will be maintained.

When the Company is in a position to accept orders an announcement will be made concerning delivery dates and prices.

ROLLS-ROYCE

The Best Car in the World

Agents— OVERSEAS MOTOR TRANSPORT CO. (E.A.) LTD. Sadler Street — NAIROBI.

All the best

Here's hoping for quite a number of them, including fewer restrictions and more Old Angus—one of life's many pleasures made more by war. This noble Scotch has the top Highland taste—a flavor whisky for the discerning pal. A family request for Old Angus is sometimes renewed.

THE WEEK'S RAINFALL

Table with 3 columns: Station, Total Days, and Rainfall. Lists various stations like Nairobi, Kisumu, and Mombasa with their respective rainfall data.

Week's Weather Forecast

Following is a general forecast for the week ending July 15. The weather is expected to be generally clear with some light showers.

DANGEROUS INTERVAL BETWEEN WAR AND PEACE

It is a dangerous interval between war and peace. The world is in a state of transition, and the danger is that the peace will be a mere truce.

KENYA LOCUST REPORT

There have been no reports of locusts in the Colony since the last report in the March issue of the Kenya Locust Report. The locusts are still in the process of being exterminated.

Unseasonal Rains Hamper Farm Work

Unseasonal rains have hampered farm work in the Colony. The rains have been heavy and have caused much damage to crops and livestock.

MUSEUM NOTES

There is no special information to be published in this issue of the Museum Notes. The museum is open to the public and is a fine place to visit.

15 HARTOGHS

There is no special information to be published in this issue of the 15 Hartoghs. The Hartoghs are still in the process of being exterminated.

Communications With The Commonwealth

Following the visit Lord Keith to the Commonwealth, the Commonwealth is now in a state of peace and stability. The Commonwealth is a strong and united organization.

FOR SALE

# Still Disputing British Hold On Escape Routes

# Importance Of Buying British Railroads

Salisbury, July 11. — Speeches at the meeting of the Chamber of Commerce, Ministry of Commerce and Industries, Mr. H. H. Kettle, said it was a mistake to suppose that the British Empire was a mere collection of islands and islands. It was a vast and varied empire, and it was important to buy British goods and services. The importance of buying British goods and services was emphasized by the speaker, who pointed out that the British Empire was a source of raw materials and a market for British goods. He urged the Government to take steps to encourage the purchase of British goods and services, and to support the development of British industry and commerce.

# Five New Cunarders Ordered

London, July 11. — The Cunard White Star Company is arranging to order five new liners to be built in the United Kingdom. The new ships will be built for the service between Liverpool and New York, and will be the largest and most modern ships ever built in the United Kingdom. The company is expected to place an order for the ships in the next few weeks.

# Ships Driven Further Inland

London, July 11. — The British Government has decided to drive its ships further inland. This decision was made in order to protect the ships from enemy aircraft attacks. The ships will be moved to inland ports and will be protected by anti-aircraft defenses. This move is part of the Government's general policy of strengthening its defenses against enemy attacks.

# Alien Warships Give Japan Another Tremendous Battering

PEACE WORK
