# Soil Structure: Its Vital Influence On Agriculture

## A PAN-AFRICAN PROBLEM

There is a considerable proportion of the soil in the tropics which is of a nature that is not well adapted to the growing of crops. The soil is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land. The soil is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land.

results were obtained that the grain produced was of a higher quality than that of the control. The soil was found to be very hard and compact, and it was difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land.

It is a well-known fact that the soil in the tropics is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land. The soil is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land.

Now before you make any conclusions, you should know that the soil in the tropics is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land. The soil is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land.

With regard to the soil in the tropics, it is a well-known fact that it is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land. The soil is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land.

These observations for the soil in the tropics are of a nature that is not well adapted to the growing of crops. The soil is often very hard and compact, and it is difficult to till. This is a serious problem for the farmer, as it prevents him from getting the most out of his land.

The Commission's report on the Uganda riots is a landmark in the history of the country. It provides a detailed account of the events that took place and offers suggestions for the future. The report is a comprehensive study of the political and social conditions in Uganda at the time of the riots.

**GENERAL SMUTS'S REMINDER**

**HOW EAST AFRICAN BRIGADE COVERED 4th CORPS MOVE**

His latest orders, however, on his return, are the exception. They are frankly ordering him to do more and more, and definitely continue to a new and more important position in the East African Command.

It is only right that we in this paper should associate ourselves with the enthusiastic welcome which General Smuts receives on his return to his native South Africa. It is only right that we should also associate ourselves with the enthusiastic welcome which General Smuts receives on his return to his native South Africa.

**GET RID OF YOUR INDIGESTION LIKE I DID**

You need not put up with those distressing indigestion symptoms. At the first sign of indigestion take Milk of Magnesia. It cures acute and chronic indigestion.

**MILK OF MAGNESIA**

*Milk of Magnesia is the healthiest of all laxatives.*

**PROTECT YOUR TEETH**

WITH **KOLYNO'S DENTAL CREAM**

*The REFRESHING Tooth Paste*

**SIXTH SENSE!**

RADIO has set signposts in the sea! The "sextants" which steer shipping safely through fog are radio devices. The vast experience of G.E.C. is being devoted by G.E.C. to the cause of Victory will be peddled to the air of peace. And your Radio will be much the finer instrument for the skill and knowledge that have been gained during five years' national service.

# Kenya Children Are "Extraordinarily Nice"

## MISSIONS OF NEWLY ARRIVED TEACHERS

London, October 24.—A Commission of Inquiry into the educational conditions in Kenya, which is returning from its tour of inspection in the East African Territory, has reported that the children are "extraordinarily nice."

The Commission, which was headed by Mr. C. G. Dods, who is now in Kenya, reported that the children are "extraordinarily nice" and that the teachers are "missionaries of newly arrived teachers."

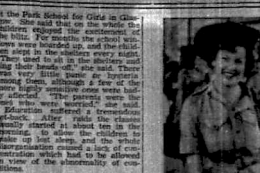

The Commission also reported that the children are "extraordinarily nice" and that the teachers are "missionaries of newly arrived teachers."

The Commission also reported that the children are "extraordinarily nice" and that the teachers are "missionaries of newly arrived teachers."

Kommandantura Make Definite Progress

Definite progress towards the 200 men strength of Berlin's three units was made by the Kommandantura last night.

Trained Their Mission

The Kommandantura were given the order to attack the British and American forces in the area of the city.

EXCITING STORY OF A PERILOUS MISSION Over 2,000 Tons Of Bombs Every 24 Hours

They say it is now told of one of the most dramatic and perilous missions ever attempted in the world.

But the main risk of making the trip was that if the Germans saw the ship they would immediately suspect the nine men climbing the cliff.

When they returned it was found that the ship had been damaged and the crew were exhausted.

It was during a German attack that the ship was damaged and the crew were exhausted.

Over 2,000 Tons Of Bombs Every 24 Hours

Between the night of August 27/28 and the night of the 29th, more than 2,000 tons of bombs were dropped on the city.

But the main risk of making the trip was that if the Germans saw the ship they would immediately suspect the nine men climbing the cliff.

When they returned it was found that the ship had been damaged and the crew were exhausted.

It was during a German attack that the ship was damaged and the crew were exhausted.

 4. The Red (10/1) (C. J. C. Jones)

**HEROES OF THE "SILENT SERVICE"**  
**More Accurds For Gallantry**

Striding stories of British gallantry were dropped, but they would have been better suited to the role of a silent service. The gallantry of the "Silent Service" is a story of gallantry in the air. The gallantry of the "Silent Service" is a story of gallantry in the air. The gallantry of the "Silent Service" is a story of gallantry in the air.

## Britain's New Premier Now In Potsdam

**FOLLOWING** are the names of the new British Labour Government:  
**PRIME MINISTER, FIRST LORD OF THE TREASURY & MINISTER OF DEFENCE**—MR. CLARENDON BULLOCK  
**LORD PRESIDENT OF THE COUNCIL**—MR. HERBERT Morrison  
**SECRETARY OF STATE FOR FOREIGN AFFAIRS**—MR. ERIC BEVIN  
**CHANCELLOR OF THE EXCHEQUER**—MR. HUGH DALRYMPLE  
**LORD PRYOR**—MR. MALCOLM MACDONALD  
**LORD CHANCELLOR**—MR. WILLIAM JOWITT

12,000 Japs Were By-Passed In Pegu Hills

July 29. A Japanese invasion force of 12,000 men was by-passed by British troops in the Pegu Hills, Burma, during the recent offensive. The Japanese force was captured at least 100 miles from its objective.

German War Casualties

July 29. A list of German war casualties from September 1939 to November 1945 is published in Berlin. A correspondent writes, "The document describes the number of German soldiers who died in the various theatres of war. The total figure was 5,300,000."

French War Orphans In Britain

July 29. Plans report that two battalions of 20,000 war orphans will be sent to France to be trained by the French army. The children were taken to Britain during the war and are now being repatriated.

Chinese Recapture Kweilin

July 29. A big new success is reported in the Chinese campaign against the Japanese in South China. The Chinese have recaptured Kweilin, one of the main front-line cities that had been taken by the Japanese in 1944.

Release Scheme For East African Askari

July 29. A statement on the part of the British Government regarding the release of East African Askari is issued. The scheme provides for the repatriation of African soldiers who served in the British Army during the war.

U. S. Senate Ratifies World Charter

July 29. The United States Senate has ratified the World Charter for Democracy. The charter is a declaration of the principles of democracy and the rights of man.

German Ex-Corporal To Be Hanged

July 29. A War Crimes Commission Court at London has sentenced a German ex-corporal to hang for his part in the murder of a British soldier during the war.

### German War Casualties

July 29. A list of German war casualties from September 1939 to November 1945 is published in Berlin. A correspondent writes, "The document describes the number of German soldiers who died in the various theatres of war. The total figure was 5,300,000."

### French War Orphans In Britain

July 29. Plans report that two battalions of 20,000 war orphans will be sent to France to be trained by the French army. The children were taken to Britain during the war and are now being repatriated.

### Chinese Recapture Kweilin

July 29. A big new success is reported in the Chinese campaign against the Japanese in South China. The Chinese have recaptured Kweilin, one of the main front-line cities that had been taken by the Japanese in 1944.

### Release Scheme For East African Askari

July 29. A statement on the part of the British Government regarding the release of East African Askari is issued. The scheme provides for the repatriation of African soldiers who served in the British Army during the war.

### U. S. Senate Ratifies World Charter

July 29. The United States Senate has ratified the World Charter for Democracy. The charter is a declaration of the principles of democracy and the rights of man.

### German Ex-Corporal To Be Hanged

July 29. A War Crimes Commission Court at London has sentenced a German ex-corporal to hang for his part in the murder of a British soldier during the war.

### MAMMOTH JUNKERS "ON TEST"

July 29. A mammoth German Junkers transport plane was tested in the air today. The plane is a four-engine aircraft and is the largest transport plane ever built.

### SUZUKI'S REPLY

July 29. Admiral Suzuki, the Japanese Premier, has confirmed that Japan has refused the Allied ultimatum of a cease-fire. He said that Japan is determined to fight to the end.

### SIX WAR CENTRES BLITZED ACCORDING TO PROMISE

July 28. Plans report that six war centres in Britain will be blizzed according to a promise made by the Government. The centres are London, Birmingham, Manchester, Liverpool, Glasgow, and Cardiff.
