When you're next in town...
REMEMBER TO SEND
a parcel of KENYA-MADE SWEETS
for the kiddies' New Year parties at home.

It's not too late to send home parcels even
now—there's no guarantee that they'll be
home in time for Christmas but they'll be
pleasure the kiddies at home would have from
a parcel of P.P.F. sweets! At the New Year
festivities and the long round of parties which
follows, these attractive cellophane packages of
pure, wholesome and delicious sweets will
make a wonderful addition to the Christmas
Tree. There are two packets to the pound of
the individual sweets and there's room in any
parcel for a few Fruit or Peppermint Sticks
and a packet or two of delicious Marzipan.
Try and catch the next mail with a parcel of
P.P.F. sweets.

Ask for these varieties by name—

- FRUIT STICKS
- GEMS
- FLAKES
- PEPPERMINT
- MARZIPAN
- MURPAN
- FUDGE NUTS
- Mint Lozenges

P.P.F. Sweets are made in Kenya
from the finest East African
produced ingredients. P.P.F. Ltd.
write, in duplicate, to the Kenya
factory where P.P.F. products are
made under ideal conditions.

Order your sweets from the Kenya
factory or from the Kenya
Branches.

TYRESOLES SERVICE

from the **LARGEST GIANT** to the **SMALLEST PASSENGER**

Safety and real tyre economy depend on vital requirements: 1. Resolving when the tyre is worn smooth. 2. Using a curing process which actually preserves the life of the carcass. With some moulds, the tyre is COOKED or BAKED to death. With the TYRESOLE process, you can TYRESOLE the same tyre AGAIN and AGAIN. This means, you can keep your car rolling on SAFE tyres with maximum economy.

Safety and real tyre economy depend on vital requirements: 1. Resolving when the tyre is worn smooth. 2. Using a curing process which actually preserves the life of the carcass. With some moulds, the tyre is COOKED or BAKED to death. With the TYRESOLE process, you can TYRESOLE the same tyre AGAIN and AGAIN. This means, you can keep your car rolling on SAFE tyres with maximum economy.

TANGANYIKA'S MINERAL POTENTIALITIES

Lead, Not Diamonds, May Be Most Valuable Asset

The mineral resources of Tanganyika are being studied by a group of British geologists. They have found that the country is rich in lead, iron, and copper. They also found that the country has some potentialities for diamonds, but that lead is the most valuable asset.

"My LUMBAGO has entirely gone!"

Only those who have suffered from lumbago know how distressing it is. I had mine for over a year. I tried many things, but nothing helped. Then I read of Phillips' Magnesia Creams and bought a tin. After using it for a few days, the pain was gone. I can now do my work as usual. I am a doctor and I can recommend Phillips' Magnesia Creams to all my patients who suffer from lumbago.

PREMIER EXPLAINS SITUATION

ARGENTINA'S OIL EXPORTS

Help For The Fat-Hungry World

Hope For Settlement Of Differences

THE PRIME MINISTER, Mr. C. ATTLEE, made a statement in the House of Commons yesterday on the recent negotiations with the British Government and the Argentine Government.

Mr. Attlee said that the Argentine Government had made a statement in 1947 that it would not export oil to the United Kingdom. This was a serious matter for the United Kingdom, as it was one of the main sources of oil for the country.

The Prime Minister stated that the negotiations with the Argentine Government had been successful in reaching an agreement. He said that the agreement would allow the United Kingdom to purchase oil from Argentina on a long-term basis.

COLONIAL MINING POLICY

Guiding Principles For Governors

(Continued from page 9)

London, December 10.—A memorandum on Colonial mining policy was issued today, based on the recommendations of the Colonial Economic Advisory Committee, and on the experience of the Colonial Office.

The Colonial Secretary is urged to state in the statement to Governors that the aim of the policy is to ensure that the minerals of the territories should be developed in a manner which will benefit the general welfare of the community as a whole.

The statement emphasizes the importance of ensuring that the minerals of the territories are developed in a manner which will benefit the general welfare of the community as a whole. It also stresses the need for the Governor to ensure that the minerals are developed in a manner which will be in the best interests of the community.

HOSPITAL BILL PASSED

When the amended bill for the Hospital Bill was passed by the House of Commons on December 10, it was the first time since 1911 that a Bill for the improvement of hospitals has been passed by the House of Commons.

The bill is intended to improve the conditions of hospitals and to provide for the better care of patients. It also provides for the improvement of the staff of hospitals and for the better management of hospital affairs.

Without good health you cannot have a FINE BODY

Build up new STRENGTH & ENERGY with this amazing FOOD TONIC!

World's Richest Source of Vital MINERALS brings new health to MINERALLY WEAK, DEPRESSED people

This mineral food tonic re-energizes your system with a daily source of vital Mineral Salts.

The concentrated Mineral Salt value in VIKEL is uncommon. For instance, one day's supply gives you as much Calcium as in 7 eggs; as much Iron as in 23 lbs. of Orenges; as much Phosphorus as in 14 lbs. of Saffron; and VIKEL contains 9 of the 12 essential Mineral Salts plus Food Indulge - all bringing you steady, constant nutrition.

And as all these precious Minerals and Vitamins are taken your system gets gradually re-energized. You begin to build up. Nerves steady. Tissues take into energy - weakness disappears. You have found the way back to new health and vitality.

LETTER FROM SOUTH AFRICA

UNION'S REACTION TO UNO OPINION

The new year's aim is to maintain and improve the standards of living, to ensure the growth of the franchise for Indians, and to insist on the maintenance of the rights of the gold-laborer on industrial relations.

INCREASED COST OF LIVING

The Union Government is responsible for the high cost of living in this country, and it is the duty of the Government to take steps to reduce it.
