Rhodesian, Ray Amm's double in Tourist Trophy

RECORD SPEEDS IN BOTH

RAY AMM, the 25-year-old "nervous wonder" who in 1948 was Southern Rhodesian farmer when not racing, won the Tourist Trophy (TT) for the first time in 1951 on Monday. He became city champion of the TT in 1949 and 1950, and was killed in 1950, just as this year's race was about to start.

Ray Amm did not set up new records in either of the two events but he did set a new record for the 100 miles event, by completing the race in 59 min. 55 sec. on an average speed of 124.82 m.p.h.

Lucky escape

In starting up a 140-hp. engine for the 27 1/2-litre Norton, Gordon Cooper, as usual, had a little trouble. He had a fortunate escape in starting the engine, but he was not so fortunate in starting the race. He was killed in the first lap, when he was overtaken by a 100-hp. Norton. He was killed in the first lap, when he was overtaken by a 100-hp. Norton.

Peters beats world best for Marathon

JOE PETERS, British runner, won the London Marathon, beating the world record of 2 hr. 12 min. 55 sec. set by the American, Bill Rodgers, in 1950.

Dyke cracks 100

JOHN DYKE, New Zealand runner, won the 100-mile race, beating the world record of 16 hr. 12 min. 55 sec. set by the American, Bill Rodgers, in 1950.

Small fields, good racing at Limuru

MRS. MILLER'S FINE DOUBLE

IT WAS most unfortunate that after a brilliantly sunny morning the skies should have become overcast and a drizzle set in for the early part of the Limuru race meeting. The crowd was smaller than might have been expected, but the racing was interesting and the going fast.

The first race was a handicap for 1200 yards. The race was won by Mrs. Miller's fine double, who was ridden by her jockey, Mr. J. J. Jones. The race was won by Mrs. Miller's fine double, who was ridden by her jockey, Mr. J. J. Jones.

'This is the car.'

1,975 MILES OF CORONATION SAFARI COMPLETED BY A 750 C.C. BABY RENAULT AT AN AVERAGE OF 32 M.P.H.

Brilliantly piloted by Mr. P. A. Russell and Mr. G. Burton, the gruelling Coronation Safari course was completed in 68 hours 5 minutes, including halts for fuel and refreshment: Whilst no speed records were broken, the achievement speaks volumes for the reliability of the Baby Renault, even in appalling road and weather conditions.

The economy of running is also worthy of note. Petrol consumption for the whole trip, in spite of hard going in low gear and fast driving in top, exceeded 40 miles per gallon. This remarkable little car will serve you no less faithfully than it served these two drivers. You may regard with pride this outstanding achievement, and justifiably claim that you can **RELY ON RENAULT.**

BOUR TEN-YEAR PLAN FOR BRITAIN

Work with Commonwealth to beat dollar problem

A TEN-YEAR plan, with which it hopes to win the best general election in Britain has been announced by the Labour Party. With the slogan, "Peace, Socialism and Prosperity," the party calls for a "New Deal" for the whole sterling area and the British Commonwealth to both areas in showing future economic prosperity.

The plan, it is stated, must be joint planning with the sterling area, and co-operation with Western Europe, if independence of American aid is to be achieved.

The plan, it is stated, would return to Britain, to be financed by the Government, a "New Deal" for the sterling area.

EVEREST the highest achievement

... from among the world's finest Radio equipment PYE Radio and Walkie Talkies were chosen to assist the courageous men in their successful ascent of the world's highest mountain.

Already universally accepted as the finest example of radio research and engineering, PYE have added yet another achievement to their credit. The conquest of the mighty Mount Everest demanded to a large extent on the contact between the climbers themselves. Under adverse conditions and extremely low temperatures PYE radio was used to receive the special R.R.C. and Radio India reports on which the success of the expedition depended. The same scientific research and skilful workmanship is contained throughout all the PYE equipment.

Two new Biro pens with exclusive features

Here you see the result of many months of work by designers, scientists and engineers. And how lovely they are, these new Biro pens, with their shining highly polished cases in a range of lovely colors. Biro 7 is slim, elegant, distinguished. It can be distinguished by a Black finish cap of minimum weight, engraved metal or in hand-painted plastic, as desired. Biro 11 is of the same high quality and finish and is designed for those who prefer a larger pen.

MIDDLESEX SECOND IN CHAMPIONSHIP

Keen Surrey attack beats Kent

RAN seriously restricted the first-class cricket season in Surrey on Thursday but Surrey's innings at the top of the championship table. Surrey's attack, depleted by the absence of a rain-affected wicket and the county's 16 points, except those shared with Middlesex who earlier beat Worcestershire by seven wickets.

Australians at Chesterfield

In their match against Derbyshire at Chesterfield, which began yesterday, the Australians suffered a very heavy rain-affected day before James Matthews was the man, and the batsmen in his team by last night. Matthews had 100 runs and 100 wickets and 100 runs and 100 wickets in his team.

Abundant as a drum

There was a favourable forecast for the first day of the season but due to the rain, however, the match was not of the highest quality.

Remaining results

Details of the remaining matches in the series are published yesterday, with the first match between Surrey and Kent at Canterbury on Saturday.

Final scores

At Worcester, Surrey 100, Gloucestershire 100, Warwickshire 100, and Kent 100.

Test drama peters out in anti-chance

ASCOET opened on Tuesday with the Queen and the Duke of Edinburgh, and the biggest race of the year was due to see the well-backed Piching win the biggest race of the year.

Never a chance

The ground staff did their best to make the track as good as possible, but the rain was too much for them.

French defeat

Starting at 2:30 and ridden by Lester Piggott, Abasco, who had been the favourite, was beaten by the French.

Rift Valley championship regains prestige

'Standard' Golf Correspondent

THE Rift Valley golf championship was on at Gilgil on Saturday with W. H. Close from a strong field, with a good score of 41-82, closely followed by Forrest with A. S. Anderson, H. M. Pegg and England in close company, with J. E. Higginson and A. Holden a little further down the list.

Near to solution

IN the past, under the guidance of A. S. Anderson, Club members have been unable to solve the problem of how to finance the club.

A most intriguing local sports car

THE SINGER-BANKS SPECIAL

By the Sports Editor

THE increasing popularity of motor sport in Kenya and the well known, **John Jameson** Langia meetings have given rise to much buying of midrange cars and the export of considerable quantities in the production of "Sports" capable of sustained high speed and reliability. For the use without the other in hotels. In all cases the spot facilities and materials have been utilized.

Some time ago the Sports Editor — Mr. Earl Cook's — mentioned that a certain number of cars had been imported from the States. These were mostly used for the purpose of touring and were not of the type which would be suitable for the conditions of the country.

A more suitable vehicle — one which would be suitable for the conditions of the country — is that of the Singer-Banks Special. This car is a very good example of a car which is suitable for the conditions of the country. It is a car which is suitable for the conditions of the country. It is a car which is suitable for the conditions of the country.

£600 to help Masaka make sports ground

FOR seven years the people of Masaka have been trying to turn an unpromising piece of sloping land near the college into a sports ground. Their endeavour has at last been rewarded.

The Governor of Uganda has approved the grant of £600 from the King George VI Memorial Trust for the purpose of levelling the ground.

In making the grant, the Governor is pleased to give generous assistance to the Masaka Township and Masaka Club in 1946. In 1948 the Township Authority took over the area and devoted what time and labour could be spared to its further improvement.

The Governor also has granted the Masaka Township a grant of £250 for the purpose of levelling the ground. This grant has been voted by the Masaka Township Council.

Work on the playing field was started by the Masaka Club in 1946. In 1948 the Township Authority took over the area and devoted what time and labour could be spared to its further improvement.

Gradient

Since 1941 work on the site has been limited to filling up some of the larger holes in the ground, and other refuse collected when clearing the streets of the town. One hole has taken time and labour to fill in this manner.

The gradient of the site is one in ten, and mechanical levelling equipment is needed if the site is to be properly levelled. The cost of this equipment is estimated to be £250. This cost will be met by the Masaka Township Council.

200 loyal Kikuyu go into action

NEAR BIGGEST OPERATION

MORE than 200 Kikuyu Guards—the largest number to take part in any operation—struck through the White and Orange Locations of South Kenya Reserve today, to battle with armed guerrillas in the nearby forest. Supported by a large contingent of aircraft, the Guards were set in a drive to clear the forest before the onset of the rains, and in contact with the main force of the Kenya Army.

JOINT PATROL

Earlier attack on a gang refuge

GUARDS were accompanied by a company of Kenya Regiment, and Kikuyu Guards from the Forest Battalion, and the Forestry and Veterinary staffs.

Not known

On the highly wooded slopes of the forest, the action was a tactical success. The result of the operation was not known. The Kenya Army, by a Division of the Kenya Regiment, and by two Kikuyu Guard companies, were ordered to clear the forest. The Kikuyu Guards were to be used to clear the forest, and the Kenya Army to provide the main force.

Story of 50 years' progress COLLEGE FOR CENTRAL AFRICA RECOMMENDED

Inter-racial in character

A new book published by the East African Institute, Nairobi, titled 'The Story of Kenya's Progress' by the Commission for Community Development in Kenya, Mr. Tom Adley, has produced the substance of lectures given at Institute School, Nairobi, in a series held there in Africa.

The subject of the book is the development of Kenya from the days of the Colony to the present day. It covers the geographical, political, and economic aspects of the country. The book is written in a clear and concise style, making it accessible to a wide range of readers. It is a valuable resource for anyone interested in the history and development of Kenya.

Technical series

The technical series of lectures, which are being held at the Institute School, Nairobi, are a continuation of the work done in the past. The series covers a wide range of technical subjects, including agriculture, engineering, and medicine. The lectures are given by experts in their respective fields and are highly informative and practical.

The Institute School, Nairobi, is a leading institution for technical education in Kenya. It provides a high quality of education and training for students from all over the country. The school's facilities are modern and well-equipped, and its staff are highly qualified and experienced.

Author coming

Keneth Hurlstone, the author of 'The Story of Kenya's Progress', is coming to Kenya to give a series of lectures. The lectures will be held at the Institute School, Nairobi, and will cover the same subjects as the book. Hurlstone is a well-known author and lecturer, and his lectures are always highly popular and well-attended.

Japanese climbers fail

A Japanese expedition to Mount Kenya, which set out in the month of January, has failed. The expedition was led by a Japanese mountaineer and consisted of several other climbers. They were attempting to reach the summit of Mount Kenya, but were forced to turn back due to bad weather and other difficulties.

The Japanese expedition was one of the most ambitious attempts to reach the summit of Mount Kenya. It was well-equipped and had a large team of porters and support staff. However, the weather was very bad during the expedition, and the climbers were unable to make progress. They were eventually forced to turn back and return to their base camp.

CAN'T BEAT IT FOR TRACTION

How can any farmer be sure that the tractor tires he buys will give him traction when and where he needs it most? Buy and more farmers are letting this fact decide for them:

Your after gear for more farmers prefer Goodyear's four-person Super-Sure-Grips to any other make. There's no close second.

This overwhelming preference stems from the fact that Super-Sure-Grip you can't beat Goodyear for traction—that Super-Sure-Grip pull where others don't.

It means why Goodyear gives the "traction pull on earth"

traction pull. Goodyear gives six ribs—straight and come closer together at the shoulder—providing the grip you need, wedge-like like the tread on the soil in place and from this more traction—gives tractor more pulling power.

Goodyear's Super-Sure-Grip is plowed by Goodyear. Actual Goodyear tests prove the modification of all tractor tread designs—when combined with straight legs!

Even wear. Goodyear straight legs work against the soil evenly, and evenly wear more evenly—lengthen tire life and make tire dollars go further.
