THE TURN-OVER TO MIXED FARMING

THE rains this year have been plentiful with their usual outburst and consideration. The falls for the month of January to April inclusive were 1.89", 1.39", .88", and 2.11", totalling 19.87 inches for the four months, or only .56 of an inch under the normal.

January and February were dry with occasional showers to keep the atmosphere pleasant and the ground green. The soil was not so parched as in the previous year, and the crops were not so much affected by the drought as in the previous year. PRODUCT OF GENERAL MOTORS

PRODUCT OF GENERAL MOTORS

The Adson Opel Factory is the largest automobile plant in Europe. Owned and operated by General Motors, this progressive factory has available all the research equipment and production methods of General Motors Corporation combined with the skill and taste of Europe's finest artisans.

It has been the aim of Opel's engineers to develop here a complete line of automobiles which would meet the demand of discriminating buyers for low-cost transportation in Europe.

highest possible standards of good taste, excellent workmanship, mass production methods, and advanced mechanical procedure. Such a combination of requirements has not been easy to attain, but Opel's organization has met the challenge with a line of products that will merit the most careful consideration of automobile buyers the world over.

And so in 1935 Opel is in a position to meet the most exacting wishes and requirements of all automobile buyers. Opel now offers a complete line of passenger cars which in every price class represents outstanding value. From the time proven Kadett with its new modern-tooled Olympia with its new high efficiency motor—up to the heavy Super-Six—there is a chain of models suitable for the most exacting demand.

INCOME TAX

To the Editor, "E. A. Standard"—Sir, I have read your article on the income tax and am glad to see the Government are not prepared to pay for them. Indirect taxes are already heavy enough and any further increase of these is certainly not to be desired. I am sure you will find the money to pay for the Government and not to pay for the Government.

STOP that COLD
RUNNING THROUGH THE
FAMILY
Pond's Tissues are
Marvellous as
Handkerchiefs
Shs. 1/25 only
per box of
150 Tissues

No longer need a cold run through the family. Use Pond's Tissues for handkerchiefs... they absorb danger of relapsing germs, of spreading discomfort to others.

Thousands who have adopted this hygienic modern substitute now consider old-time linen or cotton handkerchiefs useless, unsatisfactory—even dangerous because the most thorough handwashing often fails to remove cold germs completely.

Pond's Tissues are so much softer, so much more absorbent than ordinary tissues, they are a real safeguard. You use them just once and throw away immediately. Even baby's tender little nose is grateful for their soothing comfort.

And so much cheaper than laundering ordinary handkerchiefs! A household handy-aid. Pond's Tissues protect your fingers from unclean towels. Keep germs from entering your bathroom, nursery, kitchen, indispensable for travelling!

CHINA ATTACKS LEAGUE MEMBERS' APATHY

"Only One Has Done Anything To Help" Says Dr. Koo

GAS THREAT REVEALED

THE APATHY AND INDIFFERENCE OF LEAGUE MEMBERS IN REGARD TO CHINA WAS ATTACKED YESTERDAY BY THE PRINCIPAL CHINESE DELEGATE TO THE LEAGUE COUNCIL, DR. WELLSHONG KOO, WHEN HE SAID THAT ONLY ONE MEMBER OF THE LEAGUE HAD DONE ANYTHING TO HELP.

Dr. Koo declared that the Japanese who have launched two new attacks on the Lunghai railway, were on the point of using poison gas on a large scale to break the Chinese resistance in Shantung, and he asked that steps should be taken to prevent such an infamy.

The latest Chinese claim is that the new attacks, which are being made in west Shantung, and along the line of the Tientsin-Pukow railway, are being checked.

General, May 19. The public declaration in China against the League Council's refusal to order a cease-fire to the Chinese Government, Dr. Wellington Koo, who is one of the most active members of the League, said that the Chinese resistance in Shantung, in the face of the gas threat, was being maintained to prevent the Japanese from taking advantage of the situation.

Warships Over 35,000 Tons 'If Necessary'

Admiral Leaky stated today that 25 and three-score million dollars more would be necessary to provide the equipment for the expanded fleet.

Dr. Wellington Koo said that he was disappointed to find that the League Council had not taken any steps to prevent the Japanese from taking advantage of the situation.

"Full Surrender Or Nothing" Says Franco

Genoa, May 19. Rumours that the Spanish Government were attempting to negotiate an armistice with the insurgents have been officially denied by the Spanish Government delegation here.

British Press in London. The British Press Minister told Parliament that the British Government were attempting to negotiate an armistice with the insurgents.

The Spanish Government's proposal for action in regard to the Italian and German "invasion" of Italy, is to come before the League Council. The picture shows Italian troops, wounded in Spain, on their return to Italy.

70 Dead, 50 Entombed, in Derby Mine

Seventy men have been killed and 50 injured in an explosion at the bottom of a half-mile deep shaft seam at Hartley Colliery, Durham, on the day and night shifts.

"WORLD OF NAZIS AND FASCISTS IS SANE"

Herr Hitler's Dictum at End of Visit to Italy

"There is a sane world" said Herr Hitler, when, in a statement to the Press, he expressed his "reassurance" at the intimate understanding between Fascism and National Socialism.

The community of views between Italy and Germany was also stressed by Signor Guala, in a speech at the luncheon which followed the visit to Italy.

Hitler made a statement to the Press in which he expressed his confidence in Italy and in the future of the world.

LEAGUE AND SPAIN "DEMOCRACIES MUST STAND BY COVENANT"

Mr. Churchill's Plan For Peace

"ARM AND STAND BY THE LEAGUE COVENANT" WAS THE KEYNOTE OF A STRIKING SPEECH MADE BY MR. WINSTON CHURCHILL ON MONDAY NIGHT AT A MEETING IN MANCHESTER CALLED "IN DEFENCE OF FREEDOM AND PEACE."

"If we would rally even ten well-armed states in Europe to stand together to resist aggression against any one of them, we should be so strong that immediate danger would be worked off" he said.

He suggested Yugoslavia, Rumania, Hungary and Czechoslovakia to join Britain and France in special duty to the League.

Mr. Churchill said that the League of Nations was the only organization which could stand by the League Covenant.

THE 1938 DE LUXE FORD V-8

This new De Luxe Ford V-8 is exciting news for those who want a top-notch luxurious car—but want it in the low-price field.

It's entirely new in appearance, with deeper, more massive fenders, longer hood, bigger all-around appearance; interior appointments are unusually rich, to match the beauty of the new lines. There are eight striking body types, all powered by the brilliant Ford V-8 engine.

You must see the new De Luxe Ford V-8 to realize what new value Ford is introducing this year—at low cost. Come judge its comfort and beauty for yourself. It's on display now.

Also see the newly styled Standard Ford V-8 for 1938. It's built on the same 112-inch wheelbase as the De Luxe Ford V-8, to the same standards of mechanical excellence. It delivers the proved V-8 performance that has satisfied more than four million owners.

LORD DELAMERE
 and the making of Kenya

WHITE MAN'S COUNTRY
 by ELSPETH HUXLEY.

Review by "The Times":
 "White Man's Country" is an interesting and remarkable book. It has in reality two subjects, as the subtitle "Lord Delamere and the Making of Kenya" explains. In part it is the biography of an exceptional man. In part it is the history of a gallant and unobscured British settlement. Mrs. Huxley was right to interweave that to write of one without the other would be absurd. We have waited a long time for a book of this sort.

New Low Priced Dodge Six for 1938

The entry of Dodge into the low priced field has introduced one of the most distinguished names in motoring to buyers of the lowest priced cars. For twenty-four years Dodge has maintained such an undeviating policy of providing fine car engineering that its price has always had to be just a little above the low priced group.

JAPANESE ATTACK PORT OF AMOY Foreigners in Danger: British And U. S. Warships Stand By

AMOY, ONE OF THE OLDEST TREATY PORTS IN CHINA, ABOUT 300 MILES NORTH-EAST OF HONG KONG AND DIRECTLY OPPOSITE THE JAPANESE ISLAND OF FORMOSA, WAS ATTACKED AGAIN YESTERDAY BY THE JAPANESE, AND BRITISH AND AMERICAN WARSHIPS ARE STANDING BY TO REMOVE FOREIGNERS IF NECESSARY.

The Japanese say that the seizure of the port, which has a population of about 240,000, is necessary as it is being used as a base for forces operating against them, and because arms and ammunition were entering China through Amoy. They will do all they can to protect foreign lives and property.

Hong Kong, May 11. As a consequence of the landing of Japanese troops at Amoy, the United States combat fleet and the British destroyer Diana are standing by to remove foreign residents, should the situation become more threatening. The United States cruiser Macdonough, which is anchored off Hong Kong from Manila, has been directed by radio not to intervene in Amoy.

Del Vayo Attacks Non- Intervention

Geneva, May 11. The Spanish Government representative at the League Council used the Anglo-American press as a mouthpiece to attack the League's non-intervention policy.

Kenya R.A.F. Increase

Mombasa, May 11. Our command staff of the Royal Air Force are reported to have moved here from Kenya, bound for Nairobi.

He made a speech for the League. Lord Halifax, the British Foreign Secretary, who said that the League's Government remained open-minded that non-intervention was not only the best, but indeed the only practical policy and they were determined to persevere with it.

Marshal Goering Thanks God

Berlin, May 11. A ten-mile line of torches and a blaze of floodlights welcomed Herr Hitler back to Berlin last night. The Fuehrer was greeted on his arrival at the station by Marshal Goering and other leading officials. In a brief speech, Marshal Goering said that it was his chance, but a dispensation of the Almighty, that had brought together two such great statesmen as Herr Hitler and Signor Mussolini. We thank God that He has brought us back safely, he said.

Opera Stops As Lotte Lehmann Collapses

London, May 8. **Throwing up her hands and exclaiming in German, "I can do no more!" Miss Lotte Lehmann suddenly staggered to the steps of Covent Garden last night and left the stage vacant.**

The glittering audience was dumfounded. The curtain was rung down in the middle of Act I of "Rosencranz and Guildenstern Are Dead."
