INDUSTRIAL POLICY

THE BUDGET SESSION OF THE KENYA LEGISLATIVE COUNCIL WAS OPENED YESTERDAY MORNING BY HIS EXCELLENCY THE GOVERNOR WITH A LONG AND COMPREHENSIVE REVIEW OF CURRENT TOPICS

The Governor dealt with defence in detail, expressing his satisfaction with the general lines of the plans in force at the time of the recent crists. He indicated that cranslated no fordernes would continue and that in the Studget for 1939 there would be considerable expenditure from surrent revenues and loan tunds for this purpose. Indeed owing to the defence demands other services cannot be expenditure from the third without fresh taxation, which is not contemptated in the Studget.

that the Executive Council has recommended the establishment of secondary industries in Kenya, provided these are nomic, and details are being worked out.

COLONIAL REFERENCES IN FOUR COUNTRIES

French Radicals Say "No Cession"

A VARIETY OF REFERENCES TO THE COLONIAL PROBLEM WERE MADE DURING THE WEEK-END IN EUROPE. THE POLICY OF THE FRENCH RADICAL SOCIALIST PARTY AND OF THE BRITISH LABOUR PARTY WER BOTH DECLARED, THE HEAD OF THE GERMAN COLONIAL ORGANISATION MADE ANOTHER STATE MENT AND AN OFFICIAL COMMUNIQUE WAS ISSUED IN LISBON ABOUT THE CONVERSATIONS BETWEEN MR. PIROW, THE UNION MINISTER FOR DEFENCE, AND THE PORTUGUESE PRIME MINISTER, WHICH WERE THOUGHT TO INCLUDE COLONIES.

The French Radicals demanded that all possible negotisti nies should be limited to the study of the equitable sharing golonies should be limited to the study of the equitable snaring of raw materials. The British Labour Party urgad the application of the principle of international trusteeship to all non-salf-governing colonies. General Ritter von Epp declared that the initiative lay with the mandatory powers. The Pirow-Salazar communique did not mention colonies at all.

YOUR CAR TRANSFORMED!

OUR Spray Painting Department can convert your car from a shabby, paint-worn vehicle into a smart and resplendent motor car of which you would be justly proud.

CONSIDER this suggestion before the ravages of time and weather take their tall.

REPAINTING by our methods will not only greatly enhance the value of your car, but it will also preserve the body work from irreparable damage.

Our charges for this work are moderate. Our work, which can be seen at any time, speaks for itself.

If the paintwork of your car is in fairly good condition, our polishing process will bring fresh brilliance into the whole appearance of the car.
