Guatemala Wants A Slice Of British Honduras

They Seek Cession To End 50 Years Dispute

AS A NEW basis for settling the 50-year-old British Honduras dispute with the British Colony, Guatemala has today proposed that all British Honduras territory south of the 17th parallel of latitude should be handed by Britain, and that the title of the northern part of the Colony should be discussed again in 50 years' time.

The proposal is a departure from the usual practice of discussing the dispute in terms of the 17th parallel of latitude.

Soil Erosion Kenya's Dominant Problem

We shall not change the face of the volcanic landscape of the East African continent in ten years. It is the erosion of the soil that is the dominant problem of the East African continent. It is the erosion of the soil that is the dominant problem of the East African continent. It is the erosion of the soil that is the dominant problem of the East African continent.

Typical Plan

The typical plan of a soil erosion control project in Kenya is to plant trees and shrubs along the edges of the eroded areas. This will help to hold the soil in place and prevent it from being washed away. The typical plan of a soil erosion control project in Kenya is to plant trees and shrubs along the edges of the eroded areas.

Scraping Along

It is a slow and steady process of scraping away the soil that has been eroded. This is done by using a special type of scraper that is designed to remove the soil without disturbing the underlying layers. It is a slow and steady process of scraping away the soil that has been eroded.

DISFIGURING RASHES PIMPLES & BORNIA

Cleared as if by magic

RASHES and pimples are often so irritating that you cannot even scratch them. When the surface is broken, the discharge spreads the poison and makes it worse. Your skin soon becomes a mass of open infections. You can avoid this by using Zam-Buk. It quickly soothes, purifies and kills, and prevents the rash from spreading. It is the only medicine that cures the rash from the inside. It is the only medicine that cures the rash from the inside. It is the only medicine that cures the rash from the inside.

Britons Have Less To Spend On Luxuries
War Workers Find Housekeeping Costs More And More

(Continued from page 1)

The cost of living in Britain is a subject which has been discussed in many columns. Although it would have been impossible to give a full account of the situation in a single number, it is now possible to give a more detailed account of the situation in the home.

One of the main reasons for the increase in the cost of living is the increase in the price of raw materials. This is due to the fact that the war has caused a shortage of many of the raw materials which are used in the production of goods.

Film and Books

There is a shortage of many of the raw materials which are used in the production of goods. This is due to the fact that the war has caused a shortage of many of the raw materials which are used in the production of goods.
