KIKUYU MISSION Annual Report by Church of Scotland WORK OF THE PAST YEAR

SATISFACTORY PROGRESS

The report of the Church of Scotland for the year ending on 31st May, 1931 states: KIKUYU. The General Report of the Mission comes from Dr. Arlson, and is written on the eve of his departure for Europe. His report largely is in the form of a letter to the members of the Church of Scotland in Kenya Colony. It is a very important document, and one which will be read with interest by all those who are connected with the work of the Mission. It is a very interesting and well-written report, and one which will be read with interest by all those who are connected with the work of the Mission. It is a very interesting and well-written report, and one which will be read with interest by all those who are connected with the work of the Mission.

EDUCATIONAL. Owing to Mrs. Wilson's absence so far, the work of the schools was much improved. The principal in charge of the school was Mr. Wilson. He has been very successful in his work, and has been able to secure a number of new pupils. The work of the school has been very satisfactory, and it is hoped that it will continue to improve in the future.

INDUSTRIAL WORK. During the past year, the work of the industrial department has been very satisfactory. The principal in charge of the department is Mr. Wilson. He has been very successful in his work, and has been able to secure a number of new pupils. The work of the department has been very satisfactory, and it is hoped that it will continue to improve in the future.

English Cricket Draws to a Close
AUSTRALIAN SKIPPERS CRITICISED
OTHER SPORTING EVENTS

London, August 26. — The first home cricket season has opened with the first match of the season between the two teams at Lord's on Monday. The match was a close one, but the Australians were victorious by a narrow margin. The English skipper, Stanger, was criticised for his tactics, and the Australian skipper, Bradman, was praised for his leadership. The match was a good one, and it is hoped that the rest of the season will be equally interesting.
