THE PRIME MINISTER OF INDIA

NEW YEAR CAME IN 'LIKE A LION'

Britain in the grip of winter
THE QUEEN MARY SWEEP
AGROUND OFF CHERBOURG

WITH mountainside snow battering her coastline and with the countryside swept by heavy gales and torrential rain, winter in some parts. Floods and snowstorms. The New Year brought with it a week of such weather.

The storm was worst along England's south-east seaboard and with gusts of wind reaching 80 miles an hour it was the roughest yet.

From all corners of the country came stories of distress caused by the storms and New Year's Day across the Channel at Cherbourg, the liner "Queen Mary" caught by a sudden gust and with the sea leaving harbour, a voyage to New York was swept away as she and her 10,000 tons of fuel had been pumped into barges along with she was refueled. It is understood that the liner was undamaged.

CHIANG IS STILL CONFIDENT
Peace offer 'was not weakness'

THE PRIME MINISTER OF China, Dr. Sun Fo, in a New Year broadcast, called on the Communists to open their eyes and cooperate with his Government and bring peace to China.

The Premier referred to President Chang Kai-Shek's offer to peace but made no mention of any formal agreement.

Dr. Sun Fo said that the Government had been forced to accept the Communist peace offer only because the Communists could not hold their position in the south.

The Premier said that the Government had no intention of accepting the Communist peace offer unless it was on the basis of the Government's own terms.

Possible retreat

It is believed that the Government may have to retreat to the north if the Communists continue to advance.

The Premier said that the Government was prepared to fight to the last if necessary.

One survivor

Only one survivor was reported from the wreckage of the liner "Queen Mary" after it was driven ashore at Cherbourg.

The survivor was a young boy who was rescued by the British Navy.

Attack on Tientsin

The Japanese have launched an attack on Tientsin from their bases in the north.

The Chinese Government has called for reinforcements to defend the city.

His craze for speed is insatiable

SIR Malcolm Campbell, racing motorist, has broken a world record by driving a car at a speed of 165 miles per hour.

The record was set at the 100-mile race at Silverstone.

Attack on Tientsin

The Japanese have launched an attack on Tientsin from their bases in the north.

The Chinese Government has called for reinforcements to defend the city.

EINSTEIN ILL

Professor Albert Einstein, 72, is suffering from a serious illness.

He is being treated at the Princeton University hospital.

PROSPECTS IN GERMANY BRIGHTER

Prospects in Germany brighter

The German people are optimistic about the future of their country.

They believe that the new Government will bring about a better life for all.

Freedom restored

Freedom has been restored to the German people.

The new Government is committed to the principles of democracy and freedom.

'Commonsense'

The water report is a likely document furnished with maps, diagrams and charts.

It is expected that the report will be of great value to the Government.

The New Drug

In the interview with Dr. Davey, which we published at the week end on the new drug Antracyde, there was a scientific work, modestly carried out by two young scientists...

Dr. Davey says that the story from the East over the world were hailed the discovery that it was possible to carry out that the tests are as yet not completed to his own satisfaction...

Dr. Davey hopes that immunology in the United States from the dominance of the antibody theory...

Dr. Davey himself described this as possibly not predictable. Immunology has been developed over a period, would open up a new world of research...

Dr. Davey continues that he is not at all sure that this can be done. He will have performed a service for Africa for which he knows we can do him well to great reward...

Dr. Davey says that he has devoted his life to the study of immunology, and he has himself described it so accurately and truthfully to the best of his knowledge...

New Year message from the Mayor

A YEAR AGO writes the Mayor of Nairobi, Alderman F. G. R. Woodhouse, in his New Year message to the people of Nairobi...

During the past year, we have not managed to reach all the objectives that I hoped we would have reached by the end of the year...

It is a fact that the majority of people seldom appreciate the progress that we have made. It is always very conscious of what we have not done...

Although the service is by no means clearly so good as it was during the past year, we have still done a great deal of work...

FAVOURITES FARED BADLY AT NAIROBI RACES

ONE of the best and most interesting New Year race meetings to be held in Nairobi took place on Saturday with an excellent card. Attempts were excellent and the weather, although threatening, behaved very well on the whole.

But rarely can so many favourites have been defeated. Only two first favourites scored cleanest wins in 15 races, another shared a dead-heat in a second favourite.

Honours were very evenly divided among several favourites with certain favourites doing reasonably well. Captain of the Year, a favourite, won the 100 yds. race... The 100 yds. race was won by the favourite, Captain of the Year...

Nice 'double' From a good start Royal Retreat made the easy running... The 100 yds. race was won by the favourite, Captain of the Year...

Saturday's results The results of Saturday's eight races were as follows: 100 yds. race won by Captain of the Year...

An easy pace Starting at an easy pace with Admiral Bismarck making the lead... The 100 yds. race was won by the favourite, Captain of the Year...

Well-judged finish At the goal start Royal Retreat made the easy running... The 100 yds. race was won by the favourite, Captain of the Year...

The 100 yds. race was won by the favourite, Captain of the Year... The 100 yds. race was won by the favourite, Captain of the Year...

DROUGHT HITS 1949 FOOD SUPPLIES IN SOUTH AFRICA
All races pray for rain
NEXT TEN DAYS MAY DECIDE IF UNION CAN FEED ITSELF

WITH the onset of good rains in the next ten days or so, South Africa will have a serious food situation this year. So far, the drought has had a serious effect on the wheat crop, which has suffered the worst drought for 40 years, while in another part of the grain, great and drought have produced conditions as bad as those of the Great Drought of 1933-34 so serious are its effects that the Union Prime Minister, Dr. Malan, ordered Sunday a day of prayer for rain: Africans, Europeans, Indians, Jews and Muslims alike prayed.

If good rains should begin soon there is still a fair chance of saving the wheat crop. However, if the drought continues, it produces a big proportion of the Union's food—at least enough for South Africa's requirements—but leaving no exportable surplus, even of maize.

Fortunately the wheat harvest has been gathered in almost unharmed by the long period of hot, dry weather. It is some part of the Union is reconciled to saving little of their crop, even if it means the loss of the wheat. There has been no export of wheat for many districts in plant maize. None has yet been planted and the latest date for planting is mid-December.

The government has already been active in parts of the Transvaal and the Free State, as well as having lost, bean and Kaffir crops of other areas, while many districts are experiencing great difficulty even in keeping winter feed crops alive.

Milk and butter production have been cut by the drought which has reduced the amount of feed available. There is now barely adequate supply of meat. If it continues, supplies will be reduced and continued lack of rain presents a further menace by reducing the supply of winter fodder.

Grazing generally has greatly deteriorated since the drought. In the Free State, the world's largest veld, the veld is becoming unremittent sunshine which is drawing all the moisture from the ground. In the Transvaal, the veld is becoming parched and very dry, and many plants and over wide areas, veld is being scraped at the foot of the hills.

Maize farmers in the Bloemfontein district are being advised to plant early, but this is a risky business and does not mean to arrive. Some of them have already done so, but the rain has not yet come. In the Free State, the veld is becoming unremittent sunshine which is drawing all the moisture from the ground. In the Transvaal, the veld is becoming parched and very dry, and many plants and over wide areas, veld is being scraped at the foot of the hills.

EUROPEANS BEAT ASIANS IN QUICK FINISH

EUROPEANS won the 11th annual test match against Asiatics at Parklands yesterday by 52 runs.

The match ended at 12:45 p.m. when Dawson, the captain, closed bowled Vinayachandran, the last Asiatic batsman, in ten minutes for the addition of two runs only.

Europeans have now won eight of the series, Asians two and one match has been drawn.

There was plenty of drama in the test, for, within the first 10 minutes, Asiatics had scored 90 for the loss of one batsman and with four wickets to fall, required 90 runs to win. However, Singh, had been batting consistently well and he was able to score 50 runs before he was dismissed.

Asians first innings, yesterday took 150 minutes for an average total of 124.5 runs against 10 wickets.

W. W. Smith, who took seven of the 10 wickets, averaged 14.7 runs per wicket for 1.64 runs per over.

Asians analysed: In the first 10 minutes, Asiatics had scored 90 for the loss of one batsman and with four wickets to fall, required 90 runs to win.

Europeans analysed: In the first 10 minutes, Europeans had scored 90 for the loss of one batsman and with four wickets to fall, required 90 runs to win.

LEAGUE leaders slipped and lower placed sides gained ground as a result of the week-end football in League Division III (Southern) leaders were the only top teams to win, while all the first two places were held by the first two places.

FIFTEEN minutes

sufficed to finish the M.C.C. innings in the third Test at Newlands. The first Test at Newlands was a draw, but the second Test was a win for the M.C.C. by 100 runs.

A remarkable catch

by 'Ouse' Dawson, who slipped and held the ball at the second attempt, dismissed Douglas Wright and ended the M.C.C. innings.

South Africa opened with Wynne and Alan Melville

and produced the best opening stand in the present Test series. Wynne and Alan Melville were dismissed for 10 runs each.

Later, when Mitchell joined Wynne, scoring became somewhat more free and the South African total reached 81 wickets at the luncheon interval. Wynne was then dismissed for 10 runs.

Defensive batting

The South African batsmen were on the defensive because the lunch-time interval was 15 minutes. The batsmen were on the defensive because the lunch-time interval was 15 minutes.

Persil
FOR THE BEST WASHING

I thought Tom's shirt was white... until I saw Jack's Persil-washed one

Now washed in Persil are dazzling white. Persil is much brighter. And washes better too, because hard lathering is necessary. Persil's rich, active, oxygen foam gets but thoroughly cleans out every fibre.

YEovil and BRADFORD PROVIDE THE BIG ENGLISH CUP SURPRISES

Arsenal break 'the spell'

THE English Cup always produces its shock team. Last year it was Colchester United who, with 430 goals, became the only non-League club still standing, who outplayed Bury, the Second Division side, to win a trophy by a goal to 1.

It was no fluke with Yeovil, who belong to the Southern League—played the better football and quite outplayed Bury by their class. Every man was at the top of his form. The important goals were scored by the two winners, Bob Hamilton and Jack Hargreaves, and inside left Ray Wright—all men with serious League experience.

The excellent team was Nottingham Forest. They set the first goal, but were beaten by the first half-time score. Hamilton's four months ago, in the English Cup, was a surprise. He was the only player to appear in the final to appear in the final.

Unlucky Forest

But the first disappointment of the season was Nottingham Forest. They set the first goal, but were beaten by the first half-time score. Hamilton's four months ago, in the English Cup, was a surprise. He was the only player to appear in the final to appear in the final.

Bradford were worthy winners at their magnificent distance and forward opportunity.

First since 1938

They took the lead just before half-time with a goal by Dennis McIlveney after their second strike. After the interval they scored their second goal, which was the first since 1938.

The most best performance came from Walsall, who won after extra time at Walsall. Walsall are doing very well in the League.

Another Division Two team, which has a good record in the English Cup, is Walsall. They won after extra time at Walsall.

Holders advance

Nottingham Forest, who were the holders, advanced to the final. They won after extra time at Walsall.

Walsall are doing very well in the League. They won after extra time at Walsall.

WAKURU AIMS TO BECOME CLEANER

CRAN crops in Nakuru communities are being planted during the planting season, according to the Horticulture Officer, Mr. H. Smith, the Medical Officer of Health.

Mr. Smith has been seen in extensive and steps will be taken to improve the situation.

Officers of the crops, practically all of them African, met with Mr. Smith at the Horticulture Officer's office to discuss the situation and to receive advice and assistance in the matter.

It is considered that an adequate market supply of fresh crops and an increase in the production of these crops should be encouraged by a more-extended variety of crops.

DEATH OF TOMMY HANLEY

He won radio fame in 300 ITMA shows

MORE than 300 times the all-time most popular singer "Tommy Handley" has been reintroduced to the wireless listener of the B.B.C. by the great fun-maker, Tommy Handley. 300 first-night of one of the B.B.C.'s most popular series.

But now "Tommy Handley" has taken his last call. He died in London on Sunday, a few hours after he had been discussing the last "ITMA" show and laying plans for the next.

A London report says his death was due to a stroke resulting from a fall on the stairs. The cause of his death is still under investigation.

Tommy Handley was 40 and had been in the radio business for 12 years. He had been in the radio business for 12 years.

GOVERNOR'S VISIT OF DAR ES SALAAM
 1,000,000 tons a year

ROADNUT TRAFFIC IS NOT AND WILL NOT BE DECISIVE FACTOR
 Standard London Correspondent

THE development of the port of Dar es Salaam, the Governor of Kenya and Chairman of the East African Commission in London, that the impression of the main quarters of Britain, that roadnut traffic is not a decisive factor in the whole project, said Sir Philip Mitchell, the port director, in a speech at the opening of his hope that within three years the port will be handling a million tons of cargo at the rate of one million to 1,250,000 tons a year.

Port handled 549,393 tons in 9 months
 The great increase in volume of trade in Tanganyika during the first nine months of 1947, compared with the corresponding period of 1946, is an indication of the port's capacity to handle the trade.

Difficult year
 The port handled 549,393 tons in 9 months, a record for the port since it was opened in 1914. The port's capacity to handle the trade is being tested to the limit.

CUP HOLDERS AT HOME IN FOURTH ROUND

The draw for the fourth round of the F.A. Cup to be played on Saturday January 29, was made in London on Monday and has not proved so favourable to Division I Clubs as the previous round.

Only three of the professional sides have been drawn at home in matches in which they meet rivals from other Divisions, including the holders, Manchester United, who had a home draw last week also.

The previous holders, the 14th Division, Division I have met rivals from other Divisions in the following: Liverpool and Manchester City, get their replay.

Division IV also receive of new representatives, with a possible win, while Division III South and North have three and four opponents in the six round, respectively.

Only "underdog" left among the "newcomers" is Coventry, but they have a home draw against the 13th Division, and are expected to be the third round four times over.

The quarter-finals will be played on Saturday, January 29, at 7.30 p.m. The semi-finals will be played on Sunday, January 30, at 3.0 p.m.

The final will be played on Saturday, February 5, at 3.0 p.m. at White Hart Lane, London.

The first round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The fourth round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The fifth round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The sixth round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The seventh round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The eighth round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The ninth round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The tenth round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The eleventh round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The twelfth round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The thirteenth round draw, in which the holders and most of the other sides were drawn at home, was a surprise.

The draw for the fourth round of the F.A. Cup to be played on Saturday January 29, was made in London on Monday and has not proved so favourable to Division I Clubs as the previous round.

Sportlets

The team to represent Britain against the M.C.C. in East London, beginning on January 15, will be captained by R. Phillips, an all-rounder whose omission from the South African side which toured England in 1947 caused one of the biggest controversies in South African sports.

The Border XI consists of R. Phillips (Capt.), C. White, K. Kirton, S. Birch, A. Currock, D. Woods, R. Beesly, W. Treadaway, P. Thorne, D. Fenner and C. Lownds.

AFRICA'S KENYA'S NATIONAL INCOME FOUND BY THREE METHODS

RESEARCH

Big plans to be reviewed

The announcement that the East African Advisory Council on Agriculture, Industries and Forestry is to plan its first session on January 25, 26 and 27, directed attention to this field which is now taking shape as the principal location of headquarters.

MR. M. BLUNDELL (Rift Valley) asked for a statement of the basis of computation upon which the Secretary for Agriculture and Industries estimated that the national income of the Colony was in the region of £20,000,000 in Kenya Legislative Council yesterday.

The non-Metropolitan survey becoming available would be possible to obtain an estimate based on average figures of the national income of Kenya for 1947 was based on the normal methods of computation of national income statistics.

Site near Nairobi

NEW ZEALAND CLAIMS A WORLD CRICKET RECORD

A WORLD cricket record is believed to have been set in Auckland, New Zealand, by the Auckland batsmen Bert Sutcliffe and Don Taylor, both making two double century opening stands against Canterbury, at a Havelock Shield match.

Sutcliffe and Taylor, who are candidates for the New Zealand team to tour England this summer, scored 220 before being paired in Auckland's first innings and followed with a first-wicket partnership of 208 in the second innings.

Sutcliffe, a left-hander, scored a century in each innings with 141 and 135, while Taylor made 143 in the second innings. The stand of 208 beat the previous Plunket Shield opening partnership of 230 set up by Dempster and Dawson for Wellington against Canterbury in 1932.

In spite of the efforts of Sutcliffe and Taylor, however, Canterbury took points for a first

Big plans for Ralph and Savold

Final scores were Auckland 261 and 201 for two wickets, declared. Canterbury fell for seven wickets, declared (T. B. Smith, 148) and 163 for six wickets. (Reuter.)

The Dominion's difficulties

A message from Wellington states that the New Zealand cricket selectors are faced with the stiff problem of finding a batting line-up for the Plunket Shield on Saturday, a week earlier than had been planned. The selectors were told to find a batting line-up for the first innings of the match.

Comptroller General had started off the bowling honours, and the most successful attacking bowler has been J. Cress, a member of the 1947 New Zealand team, who was in 21 years old next March.

T. B. Burnett (Canterbury) and C. Burke (Auckland), respectively, led the right arm, are two of the best of their class and they have a reputation for the New Zealand

News in brief from field, track and arena

A REUTER message from London, Saturday, January 12, reports that the Australian golf champion, Norman von Meck, stated that he had benefited appreciably from the autumn operations of the New Zealand Golf Union. Since his return to Australia, he has lost 100 lbs. weight, he said, his weight had increased to 170 lbs. The slender build and active which had been troubling him, had disappeared. Von Meck left Sydney on Saturday evening in search of his third Philippine Open Golf Championship. He won the title in 1937 and 1938, the most, with the Iron Club of Manila, where he is now on the championship.

There were no major women events in the Victoria Cup regatta from mixed doubles tennis tournament at the weekend. The women's tennis was held at the Victoria Cup regatta on Saturday. There will be free of taxation and expenses will be paid for Savold, his manager and trainer. I am expecting Mr Daly to accept my invitation to be my guest.

The only way?

The East African Standard's London correspondent reports that the only way to compete with Australian cricket is to coach more of our boys, especially from elementary school age, to reach more of our boys, especially from elementary school age, to reach more of our boys, especially from elementary school age.

There should be no more of our boys, especially from elementary school age, to reach more of our boys, especially from elementary school age.
