Accuse British of Disregarding Warnings

CASUALTIES NOW 156

THE JEWISH Extremist Organization, the Irgun Zvai Leumi, a now openly acknowledges responsibility for the bomb outrage at the King David Hotel, but insists that the casualties—today estimated at 52 dead, 42 wounded and 82 missing—were due to the fact that their warnings were ignored.

Palestine Government, however, deny having received warnings of the explosion.

In the House of Commons, the Prime Minister has made a statement on this "brutal and murderous" attack.

Round plugs in queer holes

Can you always jump an accurate hole? Always! Then you're a better man than I am... Not many people will guarantee a perfect hole every time in concrete or really old plaster. For instance, Thank goodness it doesn't matter with these pre-formed plugs. For all screws sizes 3-16 there are only two sizes of Philip Plug Adapters. Those two will fill any hole completely and for keeps. And of course you don't need a whole range of hole-jumpers. Just two for the two Philip Plug Adapters. What time-saver!

...to make his work seem so novel that he has received the admiration of his contemporaries, and that he is now being regarded as one of the great dramatists of our time. While the essence of his ideas is not new, his method of presenting them is so new that it has made him a pioneer of a new drama, a drama of ideas, a drama of the intellect, and every one who reads his plays is bound to be struck by the force of his religious, scientific and political ideas. He is a man of his time, and his ideas are the ideas of his time. He is a man of his time, and his ideas are the ideas of his time.

African Aides To D.C.s

The Member for African Interests (Mr. O'Connell) stated in the House of Commons that the Government intend to send a number of African Aides to the D.C.s. These Aides will be selected from among the best of the African students who are at present in the United Kingdom. They will be sent to the D.C.s to assist the D.C.s in their work, and to act as a link between the D.C.s and the African students.

Our Aching Joints and Depression Vanished

As old as time, the pain of aching joints and depression has been a constant companion to many of us. It is a cruel and insidious foe that has kept us from our daily work and pleasures.

When I was 45 years old, I was afflicted with a severe case of rheumatism and depression. I had been in bed for several weeks, and my only comfort was the occasional visit of my doctor. I was so weak and so depressed that I had lost all interest in life.

Then I read of the wonderful results of the "New and Improved" treatment of Dr. J. C. Williams. I decided to try it, and to my surprise, I found it to be just what I needed. Within a few days, the pain in my joints began to subside, and my depression disappeared. I was able to get up and about, and I was able to enjoy my life again.

JUSTICE JACKSON
AND WENTWORTH
CENTURY'S SHAME"
Denunciation of the 21 Nazis

Nuremberg, July 26.
The chief of the United States prosecution, Mr. Justice Jackson, today delivered his final speech in the trial of the 21 Nazis who began yesterday.

He said that the four Allied prosecuting powers—United States, Soviet Union and France—were allied. All of the German and German-occupied peoples were guilty as long as it serves justice.

He said that the trial was not a trial of individuals but a trial of the German people. He said that the trial was a trial of the German people.

He said that the trial was a trial of the German people. He said that the trial was a trial of the German people.

He said that the trial was a trial of the German people. He said that the trial was a trial of the German people.

The Ideal
Decorative Waterproof Coating
for Concrete, Brick, Stone, etc.

"Snowcem" has been specially introduced to meet the demand for a decorative material for application direct to concrete, brick and similar surfaces. It has a natural affinity for these materials and produces a lasting which becomes an integral part of the surface to which it is applied. In addition to its decorative qualities, it is waterproof and thus provides a durable and weathery proof coating. "Snowcem" gives decoration plus protection.
