International football: IMPROVED FRENCH TEAM BEAT ENGLAND IN PARIS

Scotland draw first tour game against Yugoslavia

FRANCE, one of the most improved teams on the Continent, gained a deserved 1-0 win over England at the Colombes Stadium, Paris, on Sunday. True, the goal came from a penalty by goalkeeper Kopa after 30 minutes, but France displayed themselves better in the slippery turf, were quicker on the ball, more accurate with their passes and were generally more aggressive.

Midfield attack might have been just for the time of goalkeeper Williams, but the rest of France were right back, with their right half, Maurice Duhamel, and their left half, Vincent, scoring the goal. The latter was assisted by Maurice Duhamel, who was also assisted by France and was the only of the three to be fouled. England never settled down.

Robson-Sykes win Karen foursomes

THE 1961 Karen Open was the last of a series of four tournaments to be held in London, and Robson-Sykes won the first of these on Sunday by a margin of one stroke over the runner-up, H. C. Lawrence. The latter was the only one to score more than two birdies in the final round.

Robson-Sykes, who was the only one to score more than two birdies in the final round, was the only one to score more than two birdies in the final round.

Davis Cup lawn tennis

In the European Zone, several matches of the Davis Cup competition on Sunday, including the final, were played at the same time as the Wimbledon tournament. In the final, Ken Rosewall defeated Eddie Riebeli 4-1.

At Moritz, a match was played between the two countries. The Australian team, led by Rosewall, defeated the British team 4-1.

Belgian clean sweep

Belgium gave France their first defeat in the Davis Cup competition on Sunday, when they defeated the French team 4-1. The Belgian team, led by Rosewall, defeated the French team 4-1.

Parklands tennis tournament

The Parklands tennis tournament on Sunday, which was the first of a series of four tournaments to be held in London, was won by Robson-Sykes.

Army-Police Rugby match in Nairobi

Hutton gives plain hint on Australian powers of recovery

WHAT promise is to be made when the Railway Club rugby team plays the Army on Sunday? The Army will be the best that has ever been seen in the game, and the Railway Club will be the best that has ever been seen in the game.

The Railway Club will be the best that has ever been seen in the game, and the Army will be the best that has ever been seen in the game.

ENGLAND'S first and most successful professional cricket captain, Len Hutton, has no illusions about lasting supremacy in the game being ousted by the unexpected defence of the Ashes in Australia. He has, in fact, issued a warning. On his return to England he will be asked to play for England, but he will not be asked to play for England.

May last longer

Hutton has given plain hints that he may not last longer in the game. He has, in fact, issued a warning. On his return to England he will be asked to play for England, but he will not be asked to play for England.

Imperial outstomped

Mr. Mahabir Singh, President of the Indian Cricket Association, has issued a warning. On his return to England he will be asked to play for England, but he will not be asked to play for England.

Have same good men

As a result of the recent tour, the same good men will be seen in the game. The Railway Club will be the best that has ever been seen in the game, and the Army will be the best that has ever been seen in the game.

Clairon wins French 2,000 Guineas

Mr. Martin Fabiani's colt, Clairon, won the French 2,000 Guineas on Sunday. The colt, who was trained by the late Mr. J. G. Clark, was the only one to score more than two birdies in the final round.

McGonnon still untucky

McGonnon, who was the only one to score more than two birdies in the final round, was the only one to score more than two birdies in the final round.

Playable request

The request for a playable request was made by the late Mr. J. G. Clark, who was the only one to score more than two birdies in the final round.

into the formative combination which proved Scotland's weakness on Sunday. The attack was disrupted and ineffective, the ball being poor and numerous chances were missed.

Scotland left goal unguarded for a long time, but when they had lost their lead, they were able to score a goal in the final round.

LONDON TALKS ON REFORMS IN UGANDA

Minister replies to Lukiko views

MUCH TO BE GAINED BY 'FRANK DISCUSSION'

TALKS in London between representatives of the Uganda Legislative Council and the British Government, which commenced yesterday, are expected to discuss the new ministerial system and other constitutional changes for Uganda, which have been suggested for the next month by the Colonial Secretary.

This is stated in a reply sent by the Acting Governor, Mr. C. H. Thorpe, to one of the Lukiko's recent resolutions, which expressed opposition to any form of re-organization of the Government. The reply, which was sent to the Uganda Representative yesterday, states that the Government is ready to attend the proposed meeting.

Mr. Lennox-Boyd has said that he does not consider the reforms to justify that they involve a great advance for Africans in general or the Ugandans in particular. He is, however, sure that much would be gained by a "frank discussion" of both sides.

The Minister's views on the other two resolutions passed last week are also given in the reply. Most of the resolutions in the Hansard proposals, suggested by the Lukiko, are acceptable and he agrees that there should be a "frank discussion" in London on them. Further, he is ready to receive a delegation to discuss the return of the Kabaka Mutesa II.

Soviet defects in economic planning for industry

TOP-LEVEL reorganization planning department was announced by the Russian Prime Minister, Marshal Bulganin, in a speech last week, criticizing the shortcomings of heavy industry.

Two committees are to be set up to deal with personnel planning and the other concerned with the future of the "Premier, who referred to the "shortcomings" of the "planning workers" and announced a number of measures to be taken to correct a number of defects in the planning system.

Mr. Bulganin said that the "shortcomings" of the "planning workers" and announced a number of measures to be taken to correct a number of defects in the planning system.

THE Governor of Kenya, Sir Bruce Hargreave, has been appointed to the post of High Commissioner for East Africa in London.

Mr. Hargreave, who has been in Kenya since 1952, is a member of the House of Commons and has held various posts in the Government. He is a member of the Conservative Party and has been a member of the House of Commons since 1951.

Authority plan for education EUROPEAN HOSPITAL PATTERN SUGGESTED

THE suggestion that a European Education Authority should be established in the same form as the European Hospital Authority to take over the responsibility of the education of the children of the community, was advocated by Mr. Humphrey Slade (Aberavon) in Kenya Legislative Council yesterday.

He said that the body could be financed in three ways — by a contribution from the general revenue, by school fees, and by an annual tax which the authority would have power to impose on the European community. "We have tried in the past to finance the education of the children of the European community in this way," he said, "but it has not worked. The European community in Kenya should encourage their children to take advantage of the education facilities available in Kenya."

There was, however, an eventful session of the Council yesterday. During the last part of the session, a motion was moved by Mr. Slade that the Government should consider the possibility of establishing a European Education Authority to take over the responsibility of the education of the children of the community, was advocated by Mr. Humphrey Slade (Aberavon) in Kenya Legislative Council yesterday.

Big-Four meeting to pave way for negotiations

THE Big-Four meeting, which is expected to take place in London on May 21 and 22, is expected to pave the way for negotiations between the United Kingdom, France, the United States and the Soviet Union.

The meeting is expected to be held at the Foreign Office in London. It is expected that the four countries will discuss the situation in East Africa and the possibility of a settlement.

NEW CONSULATE FOR NAIROBI

Austrian appointment soon

Hopes of increased trade

THE Austrian Consulate in Nairobi is expected to be established in the near future. The appointment of an Austrian Consul for East Africa is expected to take place in the next few weeks.

The Austrian Government has expressed a keen interest in increasing trade between Austria and East Africa. It is expected that the new consulate will help to promote trade and economic relations between the two countries.

Appeal on housing

THE Housing Minister has issued an appeal for more housing in Kenya. He has called on the public to help in the construction of new housing schemes.

The Minister said that the Government is committed to the provision of adequate housing for all Kenyans. He has asked the public to contribute towards the cost of housing by purchasing government bonds and shares.

Freight weather in Britain continues

THE weather in Britain continues to be a major factor in the freight market. Heavy rain and strong winds are causing delays in shipping and transport.

Freight rates are expected to remain high due to the weather conditions. It is expected that the weather will continue to be a problem for the next few weeks.

FAXES MAY BE PAID BY CERTIFICATE

THE Kenya Government is considering a scheme to allow taxpayers to pay their taxes by certificate. This would allow taxpayers to deduct their tax payments from their salaries and wages.

The scheme is expected to be introduced in the next few months. It is expected that this will help to increase tax revenue and reduce the burden on taxpayers.

Muslims at Malindi wish to restore Juma Mosque

MALINDI Muslims have petitioned the Acting Lt. Col. of Malindi, Sheikh Salim Mahomed, and requested him to raise a fund by public subscription to restore the early 15th-century Juma Mosque in Malindi.

The present appeal aims at raising £10,000 for the purpose. It is hoped that the Chief will be able to contribute.

The Juma Mosque was built by Sheikh Abidin bin Muhammad bin Khawarizmi and contained in use until 40 years ago when, due to lack of funds for its upkeep, it fell into a state of dilapidation and was abandoned.

Parties wooing electors will pledge of peace and better times

LEADERS of Britain's main political parties fighting for power in the General Election are being urged not to become involved in too melodramatic changes against their rivals. They have found that, in modern times, with the voting public better educated and better informed, "savage campaigns" and "savage attacks" are highly coloured accusations apt to rebound to the disadvantage of the party making them. Many politicians believe that making their own party look better than the others is the only way to win. They have found that, in modern times, with the voting public better educated and better informed, "savage campaigns" and "savage attacks" are highly coloured accusations apt to rebound to the disadvantage of the party making them.

Big fight is thriller, but ...

COCKELL'S GALLANT BID FOR WORLD TITLE FAILS

Battered by t.k.o. in 9th round by Rocky Marciano

ROCKY MARCIANO retained his world heavyweight boxing championship in a terrific fight on Monday night by battering British challenger Don Cockell in their ninth round. The referee stopping the fight after 54 seconds with the plucky challenger helpless, and unable to defend himself, hardly detracts from the gallantry of his side. Gallantly but inevitably trailing pound-for-pound with Marciano, who was battered down for counts of five and seven before he was stopped by the bout.

Don Cockell, 37, who has a record of 12 wins and 10 losses, was a former world champion. He was a former world champion. He was a former world champion. He was a former world champion.

Marciano, who was getting new energy from his efforts to knock out his opponent, attacked Cockell with a series of powerful punches, which he landed with great effect.

Sixty may start in this year's Coronation Safari

It now appears possible that some sixty starters will leave Nairobi on Saturday, May 21, for the third Coronation Safari, sponsored yet again by the East African Standard. As already reported, the entry of 62, of which 54 are from Kenya and the remainder from the two neighbouring territories, is a record one.

The changing and lengthening of the route and the single starting area, which is a point should add to the interest.

Among the entry which is a record one, there are a number of well-known names. These include the Blyth-Paul team, the Blyth-Paul team, the Blyth-Paul team, the Blyth-Paul team.

RELIGIOUS TEACHING PLEA TO ASIAN LEADERS

Director's disappointment over attitude

The Director of Education, Mr. W. J. D. Wadley told Kenya legislators on Tuesday that he intended to make an approach to the leaders of the Asian community in an effort to activate religious education "difficult and thorny" problem of religious education in the country.

The Education Department, he said, attached the greatest importance to the subject. It was a matter for regret that some sections of the Asian population did not in the same light.

Mr. Wadley was speaking in the Kenya Legislative Council. He said that Dr. G. O. Humeau (Kisumu) had pointed out that the Asian community was not aware of the fact that the Advisory Council on Asian Education had been set up to deal with the whole question of religious education. He said that he was particularly disappointed that the African community was not so much interested in this particular question.

Relief problem

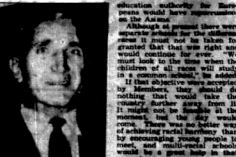

The Advisory Council had the view that the best solution for the relief problem was to be found among the people themselves. He said that the Government was not going to be asked to do anything more than to help the people to help themselves. AUSTRALIA WELL ON WAY TO CLINCH TEST SERIES

Lindvall beats previous highest score with 118

FOLLOWING a record sixth wicket partnership of 206 by Keith Miller (147) and Don Bradman (109) in the fourth Test against the West Indians at Bridgetown, Barbados, on Monday, Australia's batsmen continued to score home by advantage on Tuesday and were all out after lunch for 107.

West Indies scored 187 for the loss of seven wickets in the first day's play.

Having finished the day with a lead of 107 runs, Australia were then in a very strong position at the end of the third day's play.

Overseas bats to eight, they overtook batting on Tuesday and were all out for 120 runs after lunch. (It was not until 1948 that Australia had scored 118 and West Indies were all out for 107 in a Test match.)

Second century

Shortly after lunch the batsmen were all out for 107 and Australia were then in a very strong position at the end of the third day's play.

HUNT FOR DAKOTA SWITCHES TO MOSHI AREA

Terrorists fail to surrender

Explosion reported on Kilimanjaro

MEDICAL TEAMS FLOWN SOUTH: LANDSLIDE SEEN

THE full-scale air and ground search for the East African Airways Dakota which has been missing since Wednesday with 39 passengers and crew, was yesterday switched to Moshi after a tribesman's report of "an explosion and fire" was received at Kiboko Mission high up on the slopes of Mount Kilimanjaro.

Searches were directed from the main search on this point a few miles north of Moshi, but the only report was from a pilot of a Piper Tiger who saw a Dakota on the mountain. Later, when the cloud which had shrouded the mountain for most of the day lifted, more planes were sent and they were still sweeping the area.

At 5 p.m. a party of doctors and medical teams was flown from Mombasa to Moshi to be close at hand should the Dakota be found during the night by one of the ground parties which were converging on a point north of Moshi.

The Dakota was flying from Dar es Salaam to Nairobi, but was last heard of at 5 p.m. on Wednesday, when it was flying at 10,000 feet on the correct track and above the clouds. When it failed to arrive, one of East Africa's aircraft and ground searches was cancelled.

Twenty aircraft, 50 police and countless volunteers continued the search yesterday over an area of 27,000 square miles. Many had been without sleep for 24 hours, and the crew of an R.A.F. Lincoln flew straight through for nine hours during one sweep.

Tear-gas used to disperse rioters in Arusha

Police were compelled to disperse about 50 armed African youths on the Arusha Club grounds. Plans to bring tear gas and baton charges were cancelled.

A riotous scene unfolded on the grounds of the Arusha Club on Saturday night when about 50 armed African youths gathered to protest against the proposed construction of a new road through the grounds.

The youths, who were armed with sticks and stones, were dispersed by the police using tear gas and baton charges. The police also used water cannons to disperse the rioters.

Britain faces strikes in election week

DOCK AND RAIL TALKS FAIL

BRITAIN yesterday faced the possibility of rail and dock strikes next week - General Election week. Leaders of 10,000 dockers, due to stop work in London, Liverpool and Manchester, and Hull, rejected a peace formula put by T.U.C. leaders. A new branch later, discussions between the British Transport Union and the Dockers' Union of the National Association of Transport and General Workers failed to produce an agreement.

FOOD HELP AIM PROGRESSES

Good response to E. African self-sufficiency negotiations

KENYA'S negotiations with Tanganyika and Uganda for an agreement on inter-territorial self-sufficiency in foodstuffs are progressing rapidly, and the position is considerably more promising. It was stated by the Minister for Agriculture, Mr. F. T. Mwangi, yesterday.

The Minister, who was speaking at the dinner on the agreement, estimated that the Government is seeking approval for a vote of £200,000 to be used for the purchase of foodstuffs from the other territories. All he could say at present was that the negotiations are progressing well.

AUSTRALIA HOLD A WINNING LEAD

W. Indies hopes of draw dim in 'Atkinson's Test'

AUSTRALIA, with two second innings fights to fall and a lead of 242 runs, should win the fourth Test and the five-match series against West Indies in the sixth and final day's play at Redfern, Sydney, Wednesday. The Australians decided not to enforce the close.

Australia then left eight wickets for 124 in their second innings. The West Indies were bowled out for 124 in their first innings. The Australians then scored 242 runs in their second innings. The West Indies were bowled out for 124 in their first innings.

Triumph for Atkinson
Whatever the outcome of this Test, it is a triumph for the Australian bowlers. The West Indies were bowled out for 124 in their first innings. The Australians then scored 242 runs in their second innings.

Hutton sparkles for county
HUTTON, playing in his first Test, was brilliant. He scored 100 runs in his first innings. He was the only batsman to score 100 runs in a Test.

Old Cambrians gain first N.D.C. points

THE Old Cambrians gained a merited victory in their N.D.C. match against the Nairobi Garrison XV on the Ngara Road ground on Wednesday when they scored a hat-trick of three penalty goals and two tries (20 points) in two goals (30 points). The Old Boys led by 17-0 at half-time, but the Garrison led in the second half.

Caravans penalized
The Old Cambrians gained a merited victory in their N.D.C. match against the Nairobi Garrison XV on the Ngara Road ground on Wednesday when they scored a hat-trick of three penalty goals and two tries (20 points) in two goals (30 points).

AUSTRALIANS WIN FIRST W. INDIES TEST RUBBER

Keen struggle for county championship leadership

Drawing the fourth Test against the West Indies at Brisbane on Friday, Australia, with two victories, have won the series, becoming the first touring side to win a rubber in the Caribbean. By hitting on top for an hour Australia's second innings was a gift giving West Indies 230 minutes in which to score the 408-run target.

The result was a surprise in this sense, as, at the time, Australia were a team whose batting was regarded as weak. As a result there is much speculation as to whether Australia's success was due to the fact that the West Indies were in a state after having been humiliated in their first innings, or to the fact that the Australian batsmen were in a state of mind to play with a determination which has not been seen since the days of the "Invincibles".

What undoubtedly influenced Australia in his decision to play the first Test at Brisbane was the fact that the Australian batsmen were in a state of mind to play with a determination which has not been seen since the days of the "Invincibles".

Another factor was the fact that the Australian batsmen were in a state of mind to play with a determination which has not been seen since the days of the "Invincibles".

Final scoreboard: Australia 408, West Indies 230.

Victory eludes Springboks: South Africa's cricket team, after a series of defeats, failed to secure a victory in their first Test against Australia.

HUGH LUPUS FAVOURED FOR DERBY

HUGH LUPUS, who won the Irish 2,000 Guineas on Wednesday, was the backed horse at Friday's Victoria Cup club over the Derby, where the odds were backed to win £100,000.

Eight wickets for no runs: On the first day, Captain of Lancashire, had taken eight wickets for no runs in 90 balls against Derbyshire.

Closing scoreboard: Derbyshire 100, Lancashire 100.

Neck and neck tussle: Derbyshire and Lancashire were in a neck-and-neck tussle throughout the match.

Final scoreboard: Derbyshire 100, Lancashire 100.

Victory eludes Springboks: South Africa's cricket team, after a series of defeats, failed to secure a victory in their first Test against Australia.

TALKS TO AVERT
RAIL STOPPAGE

WORK stopped on more than 50 ships yesterday by about 20,000 dockers went on strike at Birkenhead, Manchester and Hull. A long and bitter dock dispute is considered certain.

The two disputes represent the greatest since 1926. The action at the docks is being followed by the Transport and General Workers Union, which condemns the strike and groups of workers had to march through strong picket lines as a "civil war" broke out between members of the rival unions.

Some members of the T.G.W.U. struck in London, where at least 7,000 men went on strike, stopping work on 31 out of 36 vessels. Work was confined to the port because the port's 2,400 dockers are nearly all members of affected Shippers' Twelve ships, leading export cargoes, were being discharged by the T.G.W.U. failed to respond to a union official call to go to work in an organized body.

The union official said that approximately 1,600,000 worth of goods were being held up in the docks and that the strike had cost the country about £2 million a day.

The British Premier, Mr. Aneurin Bevan, said that he would do his utmost to bring about a settlement of the dispute as soon as possible.

TRANSATLANTIC ATOM LINER FORECAST

U.S. plane under way by 195

MR. JOSEPH MINETTI, a member of the Federal Maritime Board, said in New York that the United States Lines is considering building an atom-powered transatlantic liner. He forecast that plans would be well advanced by 1957. Mr. Minetti made the announcement in a Maritime Day speech.

"Private American shipping companies are now in the process of making a study of the feasibility of building an atom-powered transatlantic liner," Mr. Minetti said. "I am sure that the Government will be very cooperative in providing the necessary information to develop atomic energy for shipping."

Mr. Minetti said that the United States Lines is planning to build an atom-powered liner by 1957. He said that the ship would be 400 feet long and would have a displacement of 10,000 tons. The ship would be powered by a nuclear reactor and would be able to travel at a speed of 30 knots. He said that the ship would be the first of a new class of atom-powered liners and would be a major step in the development of atomic energy for shipping.

TACKLE WORLD PROBLEMS AS A WHOLE

Plea by Bishop Corporation to Commonwealth of Johannesburg

THE Carnegie Corporation of New York has made a plea to the Commonwealth of Johannesburg to help it tackle world problems as a whole. The Carnegie Corporation, which has a total income of £3,500,000 a year, is making a grant of £250,000 to the Commonwealth for the year ending September 30, of which £200,000 were in the form of a loan and £50,000 were in the form of a grant.

The Carnegie Corporation is making the grant to the Commonwealth for the purpose of financing a study of world problems. The study is being conducted by the University of the Witwatersrand, Johannesburg. The study is being conducted by a committee of experts in various fields of knowledge. The study is being conducted in order to determine the causes of world problems and to find ways of solving them.

EXPORT PRICE WARNING STEADY ON THE STOCK MARKETS

Tea estate in mountain valley

The Pingree Valley at Moyale, near the base of Mount Kenya, is being developed as a tea estate. The area is about 2,000 acres and is situated at an altitude of 7,000 feet. The estate is being developed by the Moyale Tea Estate Co. Ltd. The first tea crop is expected to be harvested in 1953.

Keen overseas competition

BRITISH industry must keep its prices in the overseas markets competitive with those of Germany, the United States and Japan if the exports recovery necessary for the country's economy is to be achieved. This increase in competition is being met by the Government's export rebate scheme, which allows exporters to claim a refund of up to 10 per cent of the value of their exports.

Highland level

But when they provide details for the higher level of the export rebate scheme, it is clear that the Government is determined to support the export industry. The scheme is expected to be introduced in the next few months.

Living standards

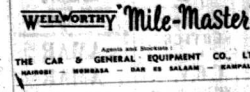

The recent increase in import prices has led to a rise in the cost of living. This has led to a fall in the real wage rate, which has had a detrimental effect on the economy. The Government is expected to take measures to offset this effect.

NEW DIRECTOR FOR E.A. FORESTRY RESEARCH Appointment of Dr. E. W. Russell

Dr. E. W. RUSSELL, a reader in Soil Science in the Department of Agriculture at the University of Oxford, has been appointed director of the East African Forestry Research Organisation of the East African High Commission in succession to Sir Bernard Knox. He will start his duties in October. Sir Bernard had been director of the organisation since its establishment in 1948. Previously, he had been deputy director of the Rothamsted Experimental Station, the staff of which Dr. Russell was also a member before taking up his present Oxford appointment.

SAFEGUARD ON INDEPENDENCE DAY 'RIOTS'

Mr. S. V. Cooke (Chairman of Kenya Legislative Council) is of the policy of the Government to permit racial demonstrations on Independence Days and if they result on every occasion take steps to see that such functions did not end in riots. The Minister for Internal Security, Mr. J. Coakley, replied that Independence Day was not racial occasion but was celebration by the nationals of the State concerned.

SURVEY AND SCIENTIFIC EQUIPMENT
A wide range of equipment and accessories available for all types of survey field work. The NZ Level with automatic collimation (illustrated) is a fine example of the workmanship and finish that goes into producing every one of the many instruments produced by the Carl Zeiss factory annually.
After-sales SERVICE by DONALD VINCENT'S factory-trained Technicians.
HENSOLDT PRISM BINOCULARS
HENSOLDT are Binoculars of the conventional PORRO prism type, valuable for their high transmission and wide field for hunting, racing or game observation. Prices range from £14 4/6.
DIALYT are Binoculars fitted with special ROOF prism type retaining the customary splendours of telescopes. They are lighter in weight, easier to hold than Binoculars of the conventional type. The ROOF prism system enables glass of a low refractive index to be used and the image in the DIALYT is therefore, particularly free from colour. Prices range from the 19/-.
GALTY are a good Galilean-type glass of strong construction with bending bar for eye-width adjustment. The 50/-. each.
After-sales SERVICE by DONALD VINCENT'S factory-trained Technicians.
LABORATORY AND MEDICAL AIDS
As long as the name Zeiss is universally associated with fine lenses, so long will Zeiss microscopes remain in constant demand. Special instruments for medical practitioners are also a feature of the Zeiss range.
After-sales SERVICE by DONALD VINCENT'S FACTORY-TRAINED TECHNICIANS.
