THE RULES OF HEALTH are few and simple

Excuse me! Inner Cleanliness makes you feel fittest

It is the cleanliness of the stomach which influences the general condition of living organisms more than any other factor. Andrew's Bile Beans purify the blood.

Andrews gives you strength and through James Watson's Excuse Me! cleans the bowels, stimulates the liver, improves the system generally. It is cleansing in its action, that the whole body is consequently set to work in full capacity. It cleanses the stomach walls, tones up the liver and stimulates the healthy and vigorous growth. While no other laxative can be relied on to purify the system, Excuse Me! cleans the complete inner condition. You get with Andrews' Excuse Me! feeling the difference steadily when Andrews operates.

Andrews is effective to drink and contains no harmful drugs. You and all your family will derive the benefits. In results are reflected in sparkling eyes, and that happy, clear-headed feeling. Buy Excuse Me! to-day. Excuse Me! is 1/6 per tin, 1/2s for three tins. Large size (double quantity) 1/3s.

"You may think I'm fussy..."

I like to see some delicacy of touch. A just cut steered for third man for two pleasures far to more than a fussy ...

Flacing's another matter. It only comes with years of practice and experience.

You've a parallel in whisky. There are plenty of good whiskies, but I've not found one yet to equal the unmistakable softness and flavour and delicate fragrance of White Horse. Only one and infinite care in blending can make a whisky as fine as a fine liquor.

White Horse Whisky. You can tell it blindfold!

African Standard WEDNESDAY, AUGUST 14, 1946. Mombasa Enquiry Delay A week ago the East African Standard was able to announce that the Government of Kenya contemplated the appointment of a Committee to enquire into the causes of the recent unrest and labour troubles in Mombasa. So far no official announcement has been made. In circumstances such as those which caused so much anxiety to the public and the Government, the sooner an enquiry is held the more likely it is to succeed in getting at the facts. The longer the delay the more difficult it is to obtain the picture as it really is. There is most closely concerned, and this applies particularly to the Africans whose evidence as to the causes of the trouble and recollections of the nature of their grievances, and of the ill-funeration and agitation which flamed them into law-breaking, is much more valuable and reliable when it is fresh in their minds. It is to be hoped that headquarters will indicate firmness in the intention of Government to find out the truth of the matter, and having that obvious fact in mind, it would be wise for the authorities to allow no more time to elapse before an official investigation is given of the Government's view of the personalities of the events which disturbed Mombasa.

NAIROBI MEN'S AMAZING ESCAPE FROM AIR CRASH

Full details of the accident which befell Mr. W. C. Mitchell and Mr. J. G. Hooper when they were returning by air from a visit to the Government of Kenya, are contained in a telegram received by Mr. J. G. Hooper, of Messrs. G. North and Son.

On the 11th inst. the Messrs. Mitchell, the pilot, a Miss Mackenzie, and Mr. Hooper, were flying on an average height over the coastal strip. The engine fell off some 400 feet above the ground, and the plane fell some 4,000 feet and landed disastrously on a small island in the Indian Ocean.

Mr. Mitchell and Mr. Hooper for reasons unknown in the Club of East Africa.

NAIROBI WANTS LOAN SANCTION

A special meeting of the Nairobi Council will be held at the Town Hall on Thursday (15) inst. for the purpose of authorizing the application to be made to the Government for sanction to borrow £33,000 for sewerage works in the town.

The proposal has received the approval of the Mayor and the full Council.

The expenditure proposed to be incurred in respect of general operations in the sewerage system, and which such extensions may require.

The Council has also authorized the Mayor to borrow £33,000, which is understood to be the maximum amount.

As to the method of raising the loan, the Council has authorized the Mayor to raise the loan by debentures, (1) to be secured on the Nairobi Corporation property, (2) to be secured on the Nairobi Corporation property, (3) to be secured on the Nairobi Corporation property, (4) to be secured on the Nairobi Corporation property.

Premier Will Not Be Pushed Out of Office

MR. CHAMBERLAIN'S VITALITY

The National Government and Mr. Chamberlain cannot be said to be in a good position. No paper except perhaps the Daily Mail, really suggests them. All the others seem to have a good deal to say to grind down the T. Times, which appears always anxious to suggest foreign policy to the "Disentertained" organs.

Mr. Chamberlain has not reported a letter attack on him for the failure of the Government to support a bill at the time of the League House organized and the full Council.

Public opinion rather a dirty business. When Mr. Baldwin gave the lead to the Government, he was not only a great success but a great success. He was not only a great success but a great success.
