# DECLARATION

I declare that this project is my original work and it has never been presented to any university or institution to the best of my knowledge

Date: Thursday, 4<sup>th</sup> of February, 2005

Name: Otieno Joshua Agola

Signature: ..... 

This project report has been submitted for examination with my approval as the University of Nairobi Supervisor.

Date: ..... *8<sup>th</sup> Feb. 2005*

Name: Dr. Waiganjo Wagacha

Signature: ..... *P. Wagacha.*

## **Abstract**

The Examination Management Information Systems forms a vital component within Kenya Medical and Training College. This ensures that the students' results are accurately captured, safely stored and retrieved within the shortest time possible on demand.

The proposed information system automates most of the processes ranging from examination marks recording to production of transcripts. There is improved accurate data storage and retrieval
