

The faculty management and ICT held the second consultative meeting in a month, the meeting was geared to iron out issue with the students management information system and further improve it to serve the students better. Students will now be able to choose their degree options on their own using the system while request for special/supplimentary exams will be done online. Recent meeting was co-chaired by the Dean, [Prof. Peter Wasamba](#) and the associate Dean, Prof. E. W. Wahome.
