NITF - JAMHURI GROUNDS

In the Nairobi International trade fair (2014), the College of Agriculture and Veterinary Sciences again had another excellent performance which exceeded the year 2013. A total of 141 prizes and 23 trophies were won in the livestock, Poultry, Farm produce and rabbits that were exhibited in the trade fair

The performance of the pigs was exceptional as we had the highest number of trophies ever totaling to 8 with our college producing the boar that won the supreme champion trophy and our sow also winning the female champion of the show. During this year's trade fair, the Chancellor Dr. Vijoo Rattansi accompanied by the college principal, Prof. A. W. Mwang'ombe toured some of our stands and were able to view the winning exhibits.
