**RESUMPTION OF DUTY**

Further to the recent disruptions in our work processes, I wish to acknowledge and reiterate that every person has a right to participate in activities of the Union of their choice, a right guaranteed by the Constitution and the Employment Act.

Whilst noting that the IPUCCF and the Staff Unions had kickstarted the Collective Bargaining Agreements, I wish to note the Government initiative of setting up an Interministerial Committee on Thursday, 13<sup>th</sup> September 2012 to address the matter more comprehensively, and requested all striking staff to resume duties in their various stations, even as the Committee report is availed.

Your attention is also drawn to the Court Order of the Industrial Court declaring the strike illegal. A copy of the Order has been pinned on all Notice Boards for your information.

I wish therefore to request and appeal to all members of staff to return to work and carry on with their routine duties with due diligence to restore normalcy.
