

Faculty of Arts Members of Staff who participated in the Training.

The Welfare Committee, led by the Chair, Dr. Masumi H. organized yet another thrilling First Aid Training between 20th and 22nd February, 2013 in ED 213.

Twenty six members of staff drawn from all the Departments in the Faculty attended the successful training.

As attested by the Associate Dean during the opening of the Training, a vibrant and trained staff would always be handy in case of an emergency within the Faculty and the University premises. That is why all categories of employees within Faculty have received the training so as to cater for all categories of staff.

The Welfare Committee and Red Cross has done us PROUD once again!!!!

Participants during one of the sessions.

Associate Dean, Prof. P. Wasamba (Standing) with the Chair, Welfare Committee, Dr Masumi and the Red Cross Trainer
